IMMEDIATE SHIPMENT

Demco service means that personal attention is given each order so that the merchandise can be shipped within 24 to 48 hours of receipt of order. Exceptions are special printed forms or special production items. All orders are automatically treated as RUSH to avoid delay.

SHIPPING CHARGES PREPAID

Demco pays the carrying charges to any post office, express or railroad station in the continental United States (except Alaska) — and at no extra cost to you. We reserve the right to decide the method of shipping—however your requests will be followed. If the railroad in your city provides store-door delivery service, freight shipments will be delivered to your building. If delivery is requested inside a building, an extra charge will be added to the invoice.

If a shipment would ordinarily be sent by freight, and you request a faster delivery service, the difference between the freight charges and the more expensive delivery charges will be added to the invoice. Where you request Special Delivery, Air Parcel Post or Air Express, the cost will be added to your invoice.

All shipments outside the boundaries of the United States are prepaid only to the port of export.

NOTE: Because Demco Charging Machines (Pages 2, 3) and Regiscope Photo-Charging Machines (Page 5) are available on lease-to-purchase, or rental bases, prices on these items are quoted F.O.B. Shipping Point.

HOW TO PLACE YOUR ORDER

Accounts are gladly opened for libraries, schools, colleges and public institutions. Business houses and individuals are asked to furnish satisfactory references when a charge account is to be opened. Invoices are mailed when orders are completed. If you prefer, you may pay in advance. However, please pay by check or money order.

ORDERS LESS THAN \$10.00

We appreciate any order, large or small. But as orders amounting to less than \$10.00 do not justify the expense of formal book entries and can only be profitably handled as a cash transaction, we ask that orders of less than \$10.00 be accompanied by check or money order. Please DO NOT send stamps or cash.

BE SURE TO SPECIFY

Specify the quantity of each item, the catalog number, size, color or weight when necessary, name of article. Here's an example:

Quantity	Cat. No.	Size - Color Weight	Article
5,000	32-238	½ Cut	Golden Guides
5,000	38-244	Blue Medium Weight	Book Cards

Use enclosed Demco order blanks. Additional order blanks will be sent any time you request them. If ordering special printed matter, **please enclose copy.**

Throughout catalog the height or binding margin of cards and binders is given first, width second.

RETURNED ARTICLES

If shipment is damaged in transit, it should be opened in presence of transportation agent; get signed memorandum to that effect from transportation agent. This is necessary to collect damage claims.

If mistake has been made in order, notify us at once and wait for our instructions before returning merchandise. If this procedure is not followed, the returned package will be refused at Madison, Hamden, or Fresno.

By writing and waiting for shipping instructions, you will be sure to receive credit for returned goods.

If you order merchandise that is not what you want, or if anything proves unsatisfactory, we will make any reasonable exchange or settlement if notified at once.

SALES TAX

State sales and use taxes will be added to invoices as required by each state; except where an exemption certificate or registration number is furnished us with the order.

All prices in this catalog are subject to change without notice.

Demco Electric Charging Machine

**Versatile, Automatic, Modern,
Compact, Efficient**

The quiet, smoothly operating Demco Charging Machine delivers a clear, visible impression—assures you worry-free charging. Its attractive, modern design adds a streamlined note to any charging desk.

No dials or knobs to turn.

Just press the proper due date button.

Benefits both the library staff and the borrowing patron. Charges are made accurately and efficiently—at a speed that improves library service to the borrower. And it's so easy to operate an inexperienced assistant can handle routine charging without any problem.

Installation is simple. All you need is an outlet. You don't have to cut into or alter your charging desk.

Demco Charging Machine is available in 4-button model designed for A.C. current.

No large investment is needed to start your library on a Demco Charging System. Charging Machines are available on a rental basis—or they may be purchased, if you prefer. Write for prices.

1 CHARGING MACHINE

No cutting or adapting the charging desk to the machine. Just set the machine on the desk, plug it in and it's ready to use.

Charging Machine Dimensions—Length: 15 1/8" Width: 6"
Height to card bed: 5" Overall Height: 7"

2 Borrower's Plastic IDENTIFICATION CARD

Different colored cards available for instant visual recognition of special card-holders. Write for complete price list.

3

BOOK CARD

For best results, specifically designed Demco Charging System Book Cards should be used. After converting to Demco Charging System, simply order new Demco Charging System Book Cards for new books and to replace filled up book cards. Cards are ruled with space for 2, 3 or 4 line imprint.

Colors shown match products, as closely as high-speed printing methods permit.

Charging is fast, simple— with the Demco system

1. Insert plastic identification card into tray on machine.
2. Place book card into book card tray on machine. Book cards specifically designed for the Demco Charging Machine insure smooth operation.
3. Press the loan period button. Machine has buttons for 4 loan periods—each button numbered and color coded to match the book card.
4. Machine automatically imprints date due and the complete borrower information embossed on the borrower's identification card.
5. Insert predated date card into book pocket. Then return book and identification card to borrower and you're ready to serve the next borrower.

The Demco Charging System is easy to use

Every borrower is issued an attractive plastic identification card. The library name is imprinted at the top of the card. Borrower's NAME, ADDRESS and EXPIRATION DATE (if desired) is embossed at bottom of the card. You may have two or three lines of borrower information embossed on the card depending on your specific library needs. School Libraries may have Home Room Numbers and current year's registration embossed on identification card.

Date Card Holder

This handy Date Card Holder has four compartments to hold 5" x 3" Date Cards and Transaction Cards, yet takes up little space on the charging desk. Cards are easy to select because the staggered-step arrangement keeps the cards for each loan period separated.

Urethane base protects top of charging desk and holds Date Card Holder firmly in place. Snap-Out Numbered Inserts, Blank White Label and a pressure-sensitive Label Holder included for identifying each loan period compartment.

Made of natural finish light maple. 3 3/4" wide, 7 3/4" deep, 5 3/8" high.

Snap-Out Numbered Inserts

Pressure Sensitive Label Holder

To identify loan period compartments, attach Snap-Out Numbered Inserts to Blank White Label (or print numbers directly on Label) and insert Label into Label Holder. Remove backing paper from Label Holder and attach to sloping edge of Date Card Holder.

No. 38-423 Date Card Holder with Snap-Out Numbered Inserts, Blank White Label and Label Holder\$8.95

Self-Inking Dater

The convenient way to pre-date date due cards. A push of the handle inks the stamp and makes the impression. No separate stamp pad to handle. Clean and simple to use. Inked pad is built into the base of the handle.

Dater has 6 year band on it, plus months and days bands. SPECIMEN IMPRESSION

ORDER YOUR OWN CUSTOMIZED, IMPRINTED LAMINATED-PLASTIC IDENTIFICATION CARDS

For permanent, positive tamper-proof identification, there's really nothing like a Demco Plastic-Laminated Identification Card. Made to meet your own special requirements, these Demco Imprinted Cards are available in a wide choice of colors, styles and designs. You can order standard cards, with or without signature panels; embossed cards with 1, 2 or 3 lines of embossing or cards with laminated photographs, permanently sealed to solid plastic.

... all with no equipment investment, no material inventory, or processing facilities —yet, completely under your control. Each card, of course, contains your own spe-

cial imprint to identify your school, library or other organization. You can include your own school — or other insignia, or specify different colors to enhance the card's utilization.

Demco Laminated-Plastic Identification Cards, made especially for use with Demco's Charging System*, speed book charging and assure fast, positive identification of borrowers.

Send for your Free Sample Kit today. Learn how you can design and develop your own Laminated Plastic Identification Cards... economically, and easily—through Demco.

Satisfaction Guaranteed.

***SEE DEMCO CHARGING SYSTEM, DESCRIBED ON PAGES 2 and 3.**

Photographic Charging Machines

Any library, regardless of its annual circulation or its present system of charging can adapt the Regiscope Bookcharging System. It can be instituted at once, or integrated gradually.

Regiscope cameras are economical, using low-cost 16 mm film. All Regiscope cameras are pre-set, pre-focused, and pre-tested at the factory; no adjusting necessary.

All Regiscope cameras are ruggedly constructed, giving years of trouble-free service with the absolute minimum of attention. A one-year maintenance warranty guarantees every unit; thereafter, a service contract is available.

PLANS
Both models may be acquired on either plan. Convenient monthly payments. Write for details.

meets all the exacting requirements
of library photographic charging:
easy, dependable, economical
operation producing clear, sharp
microfilm recordings.

Crystaljacs

TWO EXCLUSIVE DEMCO FEATURES

1. Perforations enable you to instantly adjust paper backing to exact height of jacket.
2. Anchoring tape holds cover in position while you fold.

Each of the six sizes of Demco Champion book jacket covers have perforations spaced along the bottom edge for easy, fast application. 6 size covers—with perforations—give you 48 sizes that fit expertly, quickly.

It's easy to apply Champion covers! Simply insert dust jacket, fold to fit on perforation, remove wax paper from anchoring tape, fold over the film and anchor. It's on to stay. Paper back can be glued to book, or fastened with tape.

The Champion with paper backing

No. 22-400 Standard "Trial" Assortment: 100 Champions (15-8"; 75-9"; 10-10") \$7.30 LONGS: (2" longer than Standard Length) Available in 8", 9", 10" and 12" sizes—Add 10% to Standard Length prices. Minimum order—25 assorted sizes.

EXTRA LONGS: (8 3/4" to 11 1/2" longer than Standard Length) Available in 8", 9", 10" and 12" sizes—Add 50% to Standard Length prices. Minimum order—25 assorted sizes.

An economical book jacket cover with paper backing that is easily adjustable to the size of the dust jacket. It's quick and simple to put on. Demco's exclusive "perforated" paper backing makes it fit squarely to itself—no guess work. Six sizes cover jackets from 6" to 16". Perforated edge permits instant fitting to book size variations of 1/8" on No. 22-408, No. 22-409 and No. 22-410 sizes; 1/4" variations on No. 22-412, No. 22-414 and No. 22-416 sizes.

■ Champion No. 22-409 size will fit books from 8" high to 9 3/8" high. This means 1/8" of the books that you would normally need more expensive No. 22-410 covers for, can now be fitted properly with lower priced No. 22-409 covers.

■ You can combine all styles of Crystaljacs (Champion, Guardian, Paperfold, Durafold or Unifold) and also different sizes of each to obtain the lowest possible unit price.

We Pay Transportation Charges

PLASTIC FILM

Book Jacket Covers

LONG WEARING ECONOMICAL

It's tough. Resists penetration. Gives maximum protection under constant handling day in and day out as books circulate and circulate and circulate. It's sparkling clear. Enables you to take advantage of the book jacket's colorful art and design to catch the patron's eye. It's soft to the touch. Clings and molds itself to the contour of the book for better fit. And because of this soft flexibility it has less crackle—makes book handling extra quiet. And, best of all . . . Champion and Guardian book jacket covers cost less — you get more book jacket covers for every dollar you spend.

The Guardian *without paper backing*

No skill or training is needed to use the adjustable, all film Guardian. One fold is already made — you make the second. Permits you to use one Guardian size for many different size books. The Guardian is strong and durable — conforms to the shape of the book. Keeps books looking like new and makes book handling extra quiet.

FAST . . . EASY TO APPLY

1. The Guardian speeds up processing. One fold is already made at the bottom. All you need to do is insert the book jacket and fold the film once to the size of the jacket.

2. Guardian Crystaljacs have Demco's exclusive anchoring tape that holds the new fold in position—frees both hands to speed up creasing. Simplifies your inventory — saves you money. Only six sizes needed. Each is easily adjusted to the height of the jacket.

22-200 Standard "Trial" Assortment 100 Paperfolds (15 - 8"; 75 - 9"; 10 - 10") \$8.85
Longs: (2" longer than Standard Length)
Available in 8", 9", 10", and 12" sizes.
Add 10% to Standard Length prices. Minimum order—25 assorted sizes.
Extra Longs: (8¾" to 11½" longer than Standard Lengths) Available in 8", 9", 10",

and 12" sizes — Add 50% to Standard Length prices. Minimum order — 25 assorted sizes.

You can combine all styles of Crystaljacs (Champion, Guardian, Paperfold, Dura-fold or Unifold) and also different sizes of each to obtain the lowest possible unit price.

PAPERFOLD

One piece adjustable
with paper back

This Mylar® book jacket cover is simple to put on. The exclusive Demco perforation principle makes it fit squarely by itself—no guess work. It's made with 1½ mil. Mylar® to give extra protection. No need to stock dozens of sizes—6 sizes cover jackets from 6" to 16". Perforated edge permits instant fitting to book size variations of ⅛" on No. 22-208, No. 22-209 and No. 22-210 sizes; ¼" variations on No. 22-212, No. 22-214 and No. 22-216 sizes.

Paperfold No. 22-209 size will fit books from 8" high to 9¾" high. This means ⅓ of the books that you would normally need more expensive No. 22-210 covers for, can now be fitted properly with lower priced No. 22-209 covers.

We Pay Transportation Charges

MYLAR

Du Pont trademark for its Polyester film.

Book Jacket Covers

HERE'S HOW EASILY YOU CAN FIT PAPERFOLD TO ANY BOOK

INSERT

Place Paperfold cover on table with "paper" side up. Insert book jacket (printed face down), sliding the book jacket into the Paper Fold cover as illustrated.

FOLD

Fold paper back along perforation at edge of book jacket for perfect, straight fit.

ANCHOR

Remove protective cover from face of "anchoring tape" and fold transparent Mylar over on to paper back and press down anchoring tape surface to anchor in position.

CREASE AND FOLD

Crease Mylar with bone folder to a straight perfect fit. Now jacket is ready to replace on book and fasten to inside front and back cover with tape or glue.

Fast, easy to apply
Allows more books per shelf

There's extra wearing quality built in at the bottom edge where it counts. Durafold is thick. Hugs book covers, keeps them looking like new, and makes book handling extra quiet. Durafold Crystaljacs have the exclusive Demco anchoring tape that saves you time in applying it to the book jacket cover. Only 6 sizes, each is easily and quickly adjusted to the height of the jacket. Demco Durafold Crystaljacs are made of 1½ mil. Mylar, the Du Pont trademark for its polyester film.

TO APPLY

Follow application drawing shown with Unifold Crystaljacs on following page.

UNIFOLD**Crystaljac®****BOOK JACKET COVERS****Adjustable • One Piece • Comes in 6 sizes**

Unifold Crystaljac book jacket covers help solve the inventory problem. There is no longer any need to carry a large stock of little used sizes. Six sizes of one piece adjustable Unifolds takes the place of 55 sizes formerly used. No more dollars tied up in seldom used covers. No more time wasted hunting for odd sized covers.

Unifold goes on fast. One fold of this book jacket cover is already made — you make the second, which permits you to use one Unifold for many different size books. Inside of Unifold shipping carton forms a book gauge that instantly visualizes proper size Unifold cover to apply to each book. It's quicker fastening too. The ingenious anchoring tape holds the new fold in position — frees both hands to speed up the job. Dust jackets covered with Unifold need no re-creasing. They conform to the shape of the book, ready for immediate taping.

GOLDEN DISPLAY

The newest development in display racks . . . with background panels that can be changed to meet your particular display needs.

Ideal for displaying hardbound books, paperbacks, records, magazines, audiovisual materials and other items. Pegboard panels can be used with shelves for grouping materials or with pegboard accessories to make attractive displays. Hook N' Loop panels can be used with shelves or with special Demco hook tape. Simply adhere hook tape to back of items to be displayed and they will hold to the colorful Hook N' Loop panel wherever you place them.

Demco Golden Display Racks are made of anodized gold finished aluminum. All four corners of base have steel inserts inside for additional strength. 3" casters . . . 2 locking-type so rack can be held stationary.

Inside of rack can be used as storage area. Three

models have removable walnut end panels that provide additional display space.

Length: 37"; Height: 61½"; Width (at base): 24"
Display Panel Size (each side): 36" wide, 48" high
Shelves (with control rods): 37" long, 2½" deep
Finish: Anodized gold aluminum with patented bar frame and reinforced base for maximum strength.

Colors shown match products, as closely as high-speed printing methods permit.

We Pay Transportation Charges

Gold anodized aluminum frame. 3" casters—2 lock-type. Complete with two Hook N' Loop display panels, two removable walnut pegboard end panels and 8 shelves with control rods. Red, blue, gold and black Hook N' Loop fabric in stock for immediate shipment.

Many Desirable Features On the 3-Shelf Trucks

All Demco 3-shelf book trucks have one-piece welded construction that insures years of service. They operate quietly because of the four construction features below.

All end panels are filled solidly with a rock fibre sound-deadening material.

Underside of all shelves is covered with a special sound absorbing material.

All metal to metal contact between casters and body of the truck is eliminated by rubber plate and rubber grommets.

Soft rubber tread on outside of hard rubber core insures free-wheeling that is smooth and quiet. Solid cast fork eliminates rattles. Rolls freely, smoothly on carpeting and hard surface floors.

If three-shelf trucks are used in carpeted areas, we recommend using 2 stationary and 2 swivel (not 4 swivel) casters. If casters especially designed for carpeting seem desirable, Demco has available at additional cost a 5" diameter caster with an extra wide hard tread. Write for information.

POPULAR

The Three-Shelf

This popular book truck has five-inch diameter casters mounted at the extreme corners. Has shelf room for more than 140 books. Shelves are 14" x 30". Available in gray or tan baked enamel finish. Be sure to order color desired by number.

Top and middle shelf have a "T" shaped steel reinforcement welded inside frame at each corner where shelf joins end panels.

Bottom shelf has an "L" shaped steel reinforcement welded inside frame at each corner where shelf joins end panels.

Little Work Horse
\$47.50

Square tubular construction gives 2-shelf trucks greater structural strength . . . longer life.

Over 200% more welding area than on round type.

Handy Van
\$52.50

BOOK TRUCKS

Little Work Horse

A rugged, quiet-operating two-shelf truck that is really an economical purchase. Holds about 75 to 80 books. Made of 18 gauge cold rolled steel with 1" square tubing that forms a rigid frame of high structural strength. Equipped with four 4" diameter ball-bearing swivel casters that roll smoothly and easily on carpeted floors as well as hard surface floor. Underside of both shelves covered with special sound absorbing felt. You have a choice of two colors of durable baked-on enamel finish—gray or tan. Order color desired by number.

DIMENSIONS: 28" long, 15" wide, and 36¼" high, including convenient handle formed by "U" shaped square tubular frame. Bottom shelf, 15¼" from floor; space between shelves, 12½"; top shelf, 28¾" from floor.

No. 41-760 "Little Work Horse", gray\$ 47.50

No. 41-761 "Little Work Horse", tan\$ 47.50

Handy Van

The "Handy Van" Book truck is made with two double sloping shelves so a seated worker can see every title and reach it easily. Ideal for cataloging, or for any book processing job requiring a quantity of books close at hand. And, of course, it's excellent for book display. Holds about 75 to 80 books, yet is light and maneuverable. It has all-welded smooth corner construction, sound insulated shelves, and is equipped with four 4" diameter ball-bearing swivel casters. Rolls smoothly and easily on carpeted areas and on hard surface floors. Your choice of durable gray or tan baked enamel finish. Order color desired by number.

DIMENSIONS: 28" long, 17" wide, and 39½" high, including convenient handle formed by "U" shaped tubular frame. Bottom shelf 17" from floor; space between shelves, 11¼"; top shelf, 30" from floor.

No. 41-765 "Handy Van", gray\$ 52.50

No. 41-766 "Handy Van", tan\$ 52.50

100% Bumper Protection Available on all Demco Book Trucks

All four book truck corners, plus both edges of all shelves are covered with a cushioning surface of flexible shock-absorbing vinyl inserted in a rigid black vinyl base. Gray flexible vinyl strip applied to gray trucks; tan flexible vinyl strip applied to tan trucks.

LOK-MOBILE

- Lockable • Portable
- Clear Plexiglas Sides

Rugged, quiet operating—made of 18 gauge cold rolled steel with 1" square tubing that forms a rigid frame of high structural strength. Equipped with four 4" diameter ball-bearing swivel casters that roll smoothly on carpeting as well as on hard surface floors. Undersides of both shelves are covered with special sound absorbing felt. Back Plexiglas panel fastened permanently by steel moulding. Front Plexiglas panel equipped with lock. Underside of upper shelf fitted with metal channels to allow Plexiglas slide under top shelf by means of nylon rollers.

Durable baked-on enamel finish. See preceding page for available 100% bumper protection.

Releases Carrels for Maximum Use

LOK-MOBILE book truck eliminates the need to assign a permanent study carrel to a student . . . or charge a student's books in and out every time he wishes to work with them. Instead, the books and the LOK-MOBILE are charged out together. Whenever he desires to use the books, he simply rolls his LOK-MOBILE to any available study carrel or library table.

The clear Plexiglas side panels on the truck enable you to check the contents any time without unlocking. One side panel opens and has a strong lock with two keys—one issued temporarily to the student—the other kept by the library.

For Classroom—An excellent way to assign school library books to individual classrooms. Books are kept together and locked up when not in use, yet readily available to the class under teacher supervision. Assures safety and full control of books on temporary loan from the school library.

For Public Libraries—Ideal for patrons doing major research. Eliminates daily checking in and out of serial books, yet keeps them under locked protection when not in use. Wonderful for any processing operation, too, when work at hand must be kept undisturbed.

Identification Numbering—LOK-MOBILES will be shipped with identifying plastic numbers factory applied on either or both end panels when requested. Numbers are 2" PROFILE Classic Letters. State color choice: White or Black.

1 to 3 numbers applied on one end of truck . . . **60¢** per truck
1 to 3 numbers applied on both ends of truck . . . **\$1.00** per truck

Demco Metal Book Rest—Holds extra large books at a convenient angle. Ideal for dictionaries and atlases. Made of extra thick steel wire, triple-plated to give the Book Rest a smooth attractive copper finish. Dimensions: 15" wide; 10" deep front to back; 5 1/2" high at back. Rubber feet prevent scratches.

(price does not include newspaper sticks)

Aluminum Newspaper Stick

Stick closed

Stick open for insertion of newspaper

This light-weight 5 ounce Fetherwate Aluminum Newspaper File is made of extruded and tempered aluminum with an anodized natural finish that will not show scratches. Three solid steel pegs riveted to insure a tight grip. The bell-shape eliminates any cutting edge. 28" filing capacity. Overall length—36".

No. 48-778 1\$3.75 6\$3.50 each

Wood Newspaper Stick

Made of genuine hard maple and divided into six triangular strips. Each newspaper fits over one of these sections and the rubber ring clamps the sections tightly together. 35" long, 28" filing space, 4½" handle grip.

No. 48-780 1\$2.15 6\$1.85 each

Extra Rubber Rings—Cat. No. 48-78190¢ per doz.

Space Saver Newspaper Rack

- Holds 10 newspapers
- Sloping front aids newspaper selection
- Baked gray or tan enamel finish

This modern Newspaper Rack blends in well in any library. Back is flush so it will fit flat against a wall or allow two racks to be placed back to back to form an attractive newspaper island. Sloping front holds ten newspapers at graduated heights in sound deadening black plastic stick holders. Equipped with plastic glides to protect floors. Takes little space — measures only 29" wide, 20" deep and 42½" high. Made of rigid 1" square tubular steel to give a lifetime of service. Your choice of gray or tan baked enamel finish. Order color by number.

New!

Handsome STEEL LECTERN in Three Contemporary Colors

Smart, elegant looking — yet this 20-gauge lectern is built so rugged it will last for years and years. Tough, solid plastic top is finished with a beautiful walnut grain — adds an extra touch of richness to the highly functional design. Entire unit rolls anywhere—over carpeted or hard surface floors on four, resilient 3" rubber casters, two with locks.

Large shelves hold plenty of notes, lecture material, including 3 ring binders, small displays or tape recorders. Soft, nonglare light is centered over top — yet doesn't block speaker. Light fixture bracket threaded for microphone. Size overall: 44" x 23" x 17". Weight: 60 lbs. Enamel finish. No. 53-204 State Color: Tan, Gray or Charcoal **\$76.00**

New!

Table Top Lectern

Economical, all steel lectern with ample room for basic lecture materials. Easily carried to any location. Weighs only 15 lbs. Also makes ideal reference book stand when not in use. Size: 12¾" x 19¼" x 11⅝". State color: Tan or Gray. No. 53-208 **\$16.95**

Colors shown match products as closely as high-speed printing methods permit.

"STEP-UP" *Kik-step* STOOL

For safe climbing in the library . . . "Step-Up" rolls wherever you need it. The instant you step up on it, it grips the floor and "stays put" for complete safety. It won't wobble, slip, or roll as long as you are standing on it. When you step back down, easy-roll casters pop down in position and it glides along to your next stop. Platforms have rubber safety tread. All-around bumper prevents scuffing of walls, furniture, and shelving. "Step-Up" gives you 14" more for easy, eye-level shelving of books.

Available in two handsome standard colors

No. 41-730 "Step-Up" Desert Sage (Tan)

No. 41-731 "Step-Up" Gray

1—\$15.95 3—\$15.65 ea. 6—\$15.35 ea.

SPECIAL COLORS

Special colors now available on request. Choose from Coppertone, Mist Green, Silvertone, Bristol Blue, Mimosa Yellow, Cameo Beige, White, Ebony Black, Turquoise or Copper Glow.

Just add \$1.00 to prices shown for standard tan and gray Kik-Step.

New! Steel Magazine Rack

This 5 tier rack easily accommodates from 35 to 40 magazines. It can be placed against the wall, in the center of the room . . . or if it fits in better with your arrangement, two racks may be placed back to back. This light, rigid rack can be easily moved.

New extra-deep shelves allow placement of immediate back issue behind current copy. Keeping the two latest issues of any magazine readily available at all times.

Top compartment—11½" high (5¼" visibility) by 2½" deep and 35¾" wide. Next three compartments below are each 12¼" high (6¼" visibility) by 2½" deep and 35¾" wide. The fifth (or bottom) compartment is 14¼" high (8¼" visibility) by 2½" deep and 35¾" wide. Legs extend 5" below the base. The overall dimensions are 36" wide, 48" high and 24" deep.

No. 41-740 Magazine Rack, Gray\$69.50
No. 41-741 Magazine Rack, Tan 69.50
No. 41-742 Magazine Rack, Olive Green 69.50

Finished in olive green, gray or tan enamel.
Order color by number.

Dictionary Stands

Tastefully designed stands with light birch wood grain Formica plastic top. Properly sloped to provide correct reading angle. Unabridged dictionary fits on top shelf. Atlas or other reference book fits on lower metal shelf. Square tubular steel construction assures years of service. Underside of metal shelf coated with sound-absorbing felt. Tan baked enamel finish.

STANDING TYPE

Double duty stand that can also serve as a lectern. Correct height for use while standing. Plastic glides on legs protect floors.

DIMENSIONS: 44¾" high, 26" wide, 16" deep. Top shelf 26" wide, 16" deep. Lower shelf 23" wide, 15" deep. Space between shelves 14". Tan baked enamel finish.

No. 41-783 Standing Type Dictionary Stand\$64.50

SITTING TYPE

Mobile stand designed for sitdown use. Easy to move—four 3" swivel casters roll smoothly and quietly.

DIMENSIONS: 34" high, 26" wide, 16" deep. Top shelf 26" wide, 16" deep. Bottom shelf 23" wide, 15" deep. Space between shelves 6". Tan baked enamel finish.

No. 41-784 Sitting Type Dictionary Stand\$64.50

Colors shown match products as closely as high-speed printing methods permit.

New! **Two-Drawer Microfiche Cabinets**

Top-quality, all-metal cabinets—especially designed for filing microfiche (see microfiche guides below). Will hold approximately 2000 to 2250 microfiche films, 14.8 x 10.5 cm. Drawers glide smoothly, quietly on nylon guides. Two-position follower blocks permit microfiche (and guides) to recline in drawer for easy reference with less handling. Brushed aluminum drawer-pulls have acetate insert for indexing. Rubber feet snap out for stacking. Heavy-gauge steel construction. Size overall: 16¼" x 14½" x 6¾" high. Smooth, enamel finish.

No. 53-300 Tan Sandalwood Color.....\$12.50
No. 53-301 Lustrous, Gray Color.....\$12.50

*New!* **Microfiche Filing Guides**

Made especially for microfiche files. Guide body is 14.8 x 10.5 cm. with ½" tab extension at top. Tab has clear plastic slip panel for inserting tab-slips. Smooth one-piece gray pressboard body and tab.

No. 53-305 . . 25 for \$4.00; 50 for \$7.00; 100 for \$13.00;
500..\$12.50 per C; 1000..\$12.00 per C

**Steel Sectional Card Catalog Cabinet**

Self-locking rod
yields easily for
removal

Strong, welded steel cabinets have Demco self-locking drawer-rods. Rods hold positively yet yield to a touch for removal. Rubber bumpers inside each drawer reduce noise and shock. Rubber feet on the bottom of the cabinet are secured with bolts—come off easily for stacking. Each drawer has combination handle and label holder. Cabinets hold catalog cards or microcards. Each 2-drawer section: 12-5/16" x 18-1/16" x 5-1/8" high. Gray Enamel Finish.

No. 41-202 One Section, 2 drawers. Holds 2740 cards.....\$22.50
No. 41-204 Two Section, 4 drawers. Holds 5480 cards..... 44.00
No. 41-206 Three Sections, 6 drawers. Holds 8220 cards..... 63.50
No. 41-208 Four Sections, 8 drawers. Holds 10,960 cards..... 82.50

Steel Card-Storage Cabinet

A good, serviceable cabinet. Drawers have steel follower blocks and label-holders. Not equipped with rods. Easily stacked. Lightweight steel construction. Size: 12¼" x 16" x 5½" high. Maximum filing capacity per drawer, 13¾".

No. 41-701 Medium Green Color.....\$9.25
No. 41-700 Medium Gray Color..... 9.25

Rag Stock Catalog Cards

Demco Catalog Cards are made of highest quality rag stock developed especially for catalog cards to Demco's rigid specifications to assure you permanent record cards for your card catalog.

Made only of NEW white cotton fibre carefully selected for strength and long life. Resists fraying at the edges even under constant fingering in the busiest card cabinets. Creamy white . . . with an excellent typing surface and superior erasing qualities.

All cutting is done in Demco's own plant under perfect atmospheric control. Constant inspection guarantees you uniformity of thickness, finish and size.

Here are Demco's quality control standards that assure you Catalog Cards of unmatched quality and perfection:

1. NEW white rag content — 100% in the Pluperfect grade, 50% in the Paramount.
2. Tub and surface-sized to insure you a card that types perfectly, yet has a superior erasure quality.
3. Eye-pleasing creamy white.
4. Cards cut from flat sheets without curl, spots or imperfections.
5. Cards cut with grain running the long way of the card. Demco Catalog Cards type without smudging.
6. Precision rotary cut on four sides for uniformity of size. 7.5 x 12.5 centimeters (3" x 5") without variation.
7. Exclusively drilled and polished $\frac{5}{16}$ " hole for rod.
8. Ruling guaranteed perfect in register.

Demco Catalog Cards are available in two weights. **Medium Weight** cards are approximately 10/1000 of an inch, same thickness as Library of Congress cards. **Light Weight** cards are approximately 8/1000 of an inch.

Card tops will be stained in red, green or blue at \$1.25 per 1000 cards in lots of less than 5000; or 75¢ per 1000 cards in lots of 5000 or more.

Also See Catalog Cards in Strips or Sheets, pages 23-24

Demco "Perm-Index"®

"Perm-Index" Cards are made from a newly developed paper stock that is chemically treated to make it acid-free. The stock is strong and durable and economically priced to give you a superior record keeping card with an excellent typing surface at a low cost.

Ideal for many library uses — shelf lists, reference lists, special lists and other card files where long life is necessary and economy is important.

Rotary cut on all four sides for uniformity of size. 7.5 x 12.5 centimeters (3" x 5") without variation. 5/16" holes are drilled and polished for smooth edges and perfect alignment.

Available in Medium Weight — Unruled and Special Typewriter Ruled.

Actual Size

E.S.E.A. Pressure Sensitive Label

Use these die-cut labels to identify E.S.E.A. materials. Roll backing paper away from label and apply to material you want to identify. Printed with green ink on white stock. Size: $1\frac{1}{2}$ " x 1".

No. 28-690 Roll of 250 E.S.E.A. Pressure Sensitive Labels

2 rolls (total of 500 labels)	\$2.95
	5.50

These Pressure Sensitive Labels can be made to your order with whatever wording will fit. Send us sketch of label and quantity desired and we will quote prices. Minimum order for custom labels: 500.

E.S.E.A. Rubber Stamp

E. S. E. A.
TITLE II
Actual
Impression

Here's a handy way to identify E.S.E.A. materials. Each stamp is made of thick, pure Para rubber mounted on a solid rubber cushion. Stamp will give long service and a clear, neat impression. Made with knob handle as pictured.

No. 28-692 E.S.E.A. Rubber Stamp \$2.20

Rubber Stamps can be made to order with whatever wording you want at the following prices:

No. 63-051	one line	\$1.50
No. 63-052	two lines	2.20
No. 63-053	three lines	2.80
No. 63-054	four lines	3.50

Stamps over $2\frac{1}{2}$ " are slightly higher in price. Send copy and approximate length desired for quotation.

Imprinted Catalog Card Protectors

SAMPLE IMPRINTS:

RESERVE BOOK	REFERENCE
SEE AT DESK	IN BROWSING ROOM
IN MUSIC ROOM	NEW BOOK SHELF
ON DISPLAY—ASK AT DESK	ART DEPARTMENT

Imprinted Catalog Card Protectors will be printed to your order. Ideal for books temporarily removed from their usual location. Staff time directing patrons is saved by shifting the burden from the person at the desk to the imprinted protector. You can specify any copy consisting of one line of type to be imprinted at the top. Choice of red, green or black ink. Red ink will be used if color is not specified.

Made of .002" Mylar, rolled at the top (not creased). Easily accommodates a catalog card flush to the top edge of the protector. Static attraction makes protector cling to the card. Manufactured on precision equipment that controls the accuracy of height and width. Punched for guide rod.

	No. 28-681 Imprinted Card Protectors Minimum Order 500	No. 28-682 Plain Card Protectors (Without Printing)
100	\$.....	\$ 2.30
500	18.00	10.50
1,000	34.00	19.50
2,000	33.75 per 1,000	19.00 per 1,000

5,000	32.50 per 1,000	18.25 per 1,000
10,000	31.50 per 1,000	17.50 per 1,000

Color Banded Catalog Card Protectors

Available in six colors
Black, blue, brown, green, orange and red

Color Banded Catalog Card Protectors can be used to identify previously printed or typed catalog cards when a color coding is being set up, or if coding is of a temporary nature and subject to change. Saves time and money because it eliminates the necessity of going to the additional work of retyping the cards. The same six colors are available on Color Banded Catalog Card Protectors as on the Color Banded Catalog Cards below so the two can be mixed in the catalog card cabinet for easy identification.

Color Banded Protectors are made of .002" Mylar, rolled at the top. Precision punched for guide rod.

Available in six colors: black, blue, brown, green, orange and red. Specify color when ordering. If color preference is not indicated, red banded protectors will be sent.

Minimum Order 100 of a color.			
No. 28-680	Color Banded Catalog Card Protectors

500	18.00	3,000	33.25 per 1,000
1,000	34.00	5,000	32.50 per 1,000
		10,000	31.50 per 1,000

Color Banded Catalog Cards

With the growing trend of student use of instructional materials it is becoming vitally important to catalog all these materials in a central card catalog regardless of where they are located. By using Demco Color Banded Catalog Cards (or No. 28-680 Color Banded Protectors above), it is a simple matter to identify the various types of curriculum materials such as slides, films, prints, phono records, tapes, etc.

Color Banded Catalog Cards are available in Demco's 50% rag Paramount Medium Weight catalog card stock described on page 21 or the new Medium Weight "Perm-Index" stock described on Page 22. One pica color band

extends across the full width of the card at the top for maximum identification of any materials that require color coding.

Ideally suited for individual school Audio Visual departments or school curriculum centers, school libraries, colleges and universities. Can also be used as a subject code, and in lower grades for a reading level code. Public libraries will also find their use will save valuable staff time.

Rotary cut on all four sides for uniformity of size 7.5 x 12.5 centimeters (3" x 5") without variation. Drilled and polished 3/16" hole for rod.

Available in six colors: black, blue, brown, green, orange and red. Specify color when ordering. If color preference is not indicated, red banded cards will be sent.

Minimum Order 500

Colors may be combined to obtain lowest price, but individual colors must be purchased in units of 100.

Demco Desk Tray

For temporary filing of catalog cards or holding the day's supply of application, borrowers' or order cards, Government overdue Postals, P pads, rubber bands and paper clips. Each of the five compartments has inside dimensions of approximately 1½" x 5½". Trays have outside dimensions of 6" wide x 8¾" deep with felt pad. Made of maple, light finish only.

No. 63-393 Desk Tray\$6.00

Card Copy Holder

Speeds up copying of catalog cards by holding the copy directly above the keyboard. Holder can be used on either side of any standard typewriter. Adjustable in height and for centering over keyboard. Instantly removable.

No. 63-354 Card Copy Holder\$4.95

Library Card Transfer Case

Made of durable boxboard. Holds 1400 3" x 5" cards. Inside dimensions: 14¾" deep; 5-1/16" wide; 3½" high. Metal follower block.

No. 42-705 For 3" x 5" cards.....\$2.75

DESIGN YOUR OWN

Multiple Copy Order Forms

SIMPLIFY BOOK ORDERING AND CHECKING

If standard order forms won't meet your needs, we'll help you design your own and supply them at little extra cost. See Demco Standard Forms (page 28) to guide you, or send for our convenient layout sheet and design tips.

Order as few as 1000, or as many more sets as you wish, in multiple units of 2 to 6 parts — each part with different printing. Last form may be card stock (printed and imprinted) for use as a temporary catalog card. Forms may be printed on two sides, if desired. Other uses for various parts are Order Slips for Jobbers, L.C. Order Slips with your own code numbers, Faculty or Department Copies, Receiving Copies, Purchasing Department Copies, Treasurer's Copies, Cataloging or Processing Copies, and others. Custom Forms may be ordered with "snap out" carbons (blue or black) or on new "carbonless" paper.

Colors available are White, Canary, Pink, Blue, Green, Buff and Goldenrod on Bond Stock or 13 lb. or 16 lb. Bond in "snap out" carbon forms. 90 lb. index card stock is available (for last part of form) in White, Buff, Blue, Green, Cherry, Canary and Salmon.

Carbonless form colors are White, Canary, Pink, Blue, Green and Goldenrod in 16 lb. Bond or Buff or Green in heavyweight Ledger. 90 lb. index card stock is Buff color.

SEE STANDARD MULTIPLE-COPY ORDER FORM ON NEXT PAGE.

YOU ACTUALLY DO 5 THINGS AT ONE TIME . . . WHEN YOU USE

Standard Multiple-Copy Book Order Forms

One typing — that's all! You get 5 perfect copies of every book order for immediate reference and use. Simplifies everything . . . makes your book ordering and checking procedures even more efficient.

No wonder thousands of librarians and administrators use these forms to save time, cut errors, and improve book ordering systems.

Each form gives you (1) an original order, (2) a L. C. order slip, (3) your library copy, (4) a notification copy, and (5) a temporary catalog card pre-punched for immediate use. Each set has these five parts with top or side stubs grouped together for perfect typing alignment. Choose "carbonless" or "one time" carbon forms — for clear, sharp impressions from first form to last. See descriptions below, order at right.

"carbonless" to save you more time

Top Stub only
3 sets to strip

No carbon paper needed. Forms are chemically treated to give you clean, sharp impressions on all five parts.

First 4 parts are on 16-lb. Bond paper; 5th part is heavyweight Buff-Ledger stock for use as temporary catalog card. L. C. Order Slip appears first to meet Library of Congress requirements.

Parts appear in this order: Canary—L. C. Order Slip with Action Column and coding space; White—Dealer's Order; Pink—Library Copy; Green—Workshop, fund, or Notification; Buff—Temporary Catalog Card. Order at right. Three sets to a strip.

handy "snap-out" carbons

Top Stub
3 sets to strip

Special "one time" carbons between each part enable you to type once and get 5 copies. Then, simply snap carbons out.

Parts appear in this order: White—Dealer's Copy; Canary—L. C. Order Slip with Action Column and coding space; Pink—Library Copy; Green—Workshop, Fund, or Notification copy; Buff—Temporary Catalog Card. See top or side stub descriptions below. Order at right.

Side Stub
2 sets to strip

TOP STUB. First 4 parts are 16-lb. Bond. 5th part is 90# Buff Index Bristol, for temporary catalog card. In strips of 3.

SIDE STUB. First 4 parts are 13-lb. Bond paper. 5th part is heavyweight Buff Ledger for temporary catalog card. In strips of 2.

"TUF-TAB" CATALOG GUIDES AND PRINTED CATALOG HEADINGS

Two Good Reasons Why Demco Angle Tab Guides Last Longer

1. Body of pressboard guide extends entire height of tab, so that Demco guide tabs do not break or crack.
2. Celluloid tab is heat-sealed to guide body, allowing for sufficient card clearance.

No tabs are hidden when they are set at a 45 degree angle as is the case with these guides. They are particularly useful in the lower drawers of your cabinet case where guide titles are difficult to read. The half-cut tab enables you to use a generous title.

Where extremely long subject headings occur, specify the No. 28-646 angle tab guide. The tab is full cut and is long enough to accommodate 3 1/2" of typing. College libraries will find the longer tab guide very helpful. The guides are made of heavy gray pressboard, thus insuring long wear. Labels are removable and because all titles are instantly visible, it eliminates unnecessary fingering and enables one to find a card quickly.

Your order must specify quantities of left, right and center position 1/2 cut tabs or of full cut center position guides. Otherwise, equal amounts of left and right 1/2 cut tabs will be sent. Blank Snap-out Labels are furnished.

- 28-643—1/2 cut—left hand position
- 28-645—1/2 cut—right hand position
- 28-644—1/2 cut—center position
- 28-646—Full cut—center position

With Demco Snap-Out Printed Guide Headings, it is not necessary to cut with a scissors to select the heading you need from a sheet of headings. Simply punch out the heading . . . die cutting and perforations make separation fast and easy.

There are 4 different sets, all expertly designed to fit the needs of various sizes and types of libraries plus a supplementary set for Catholic libraries. Headings were selected and compiled by a group of America's foremost cataloging authorities. You will like the clear, legible type used in printing these headings. Demco Snap-Out Guide Headings make it easy to guide your catalog . . . save time in using the card file.

Catholic Guide Headings

A supplementary set of 806 headings especially compiled for Catholic schools and colleges by Reverend Oliver S. Kapsner, O.S.B., formerly of the Cataloging Department, Catholic University of America, Washington, D. C.

HOW TO USE THIS CATALOG

This is a catalog of the books in this library arranged alphabetically by author, title and subject.

EXAMPLE: The book entitled "How to Win Friends and Influence People" by Dale Carnegie may be found under Carnegie, the author, in the drawer marked C; under "How to Win Friends and Influence People", the title, in the drawer marked H; and under Psychology, the subject, in the drawer marked P.

All books about a person may be found under his last name.

EXAMPLE: Doyle, look in drawer marked D.

The number in the upper left corner of each card shows where the book may be found on the shelf. Non-fiction books are arranged on the shelves in numerical order from 010 to 999, and under each number alphabetically by author.

Fiction books are placed on the shelves in alphabetical order by the authors' names.

If you cannot find the book you want, the librarian will be glad to assist you.

SPACE-SAVERTM

GOLDEN GUIDES

Now for the first time, there's a new type of guide—a plastic guide—made entirely of long-lasting durable Mylar.* It's so strong and rugged it will outlast even pressboard guides. Will not fray, tear, crack or dog ear—yet takes up no more space than a single catalog card.

So thin they are only $\frac{1}{4}$ the thickness of pressboard guides . . . $\frac{1}{2}$ the thickness of guides made of conventional buff stock. Golden Guides take up less valuable catalog card drawer space than any other type of guide.

Space-Saver Golden Guides are made of 2 layers of 5 mil Mylar heat sealed together with a special gold adhesive for long life.

Finger marks and dirt wipe off with a damp cloth so Golden Guides stay fresh and new looking always.

*DuPont Reg. T.M.

TWO WAYS TO USE THE EXTRA SPACE YOU GAIN WITH SPACE-SAVER GOLDEN GUIDES

1 More room for catalog cards

Every pressboard guide you replace gives you room for a Golden Guide plus 3 more catalog cards. If your present catalog card drawer has 15 guides in it, that means you'll gain enough extra space for 45 additional catalog cards and still have the same number of guides as before. In a 60 drawer unit, you will pick up room for 2700 catalog cards.

2 Speed up filing and finding

Thick guides have forced many libraries to use restricted guiding because of the limited amount of space available in the card catalog. Now with Demco Space-Saver Golden Guides, you can refine your guiding (use more guides) and still have additional space for more catalog cards in the same drawer.

For every pressboard guide you replace, you will have room for 4 Space-Saver Golden Guides. If you are replacing buff guides you can get twice as many Golden Guides in the same space.

A well-guided card catalog is easier to use . . . saves staff time in filing and finding. And it's simpler for patrons to use—reduces the need for them to seek staff help.

Space-saver golden guides

Write for Prices on Larger Quantities

Blank Snap-Out Labels are furnished with Guides

No. 28-669 Extra Blank Labels available at 15¢ per 50

Your order must specify quantities of No. 28-441, No. 28-442 or No. 28-443. Otherwise No. 28-441 (usable with tab in either left or right position) will be sent. Guides are punched with round hole for guide rod.

Same catalog card drawer with 20 Golden Guides and room for 20 more catalog cards in same space formerly taken by 10 pressboard guides

Catalog Card Drawer with 10 pressboard guides

REMOVABLE INSERTS

Golden Guides have transparent insert-styled tabs and are furnished with blank inserts to permit typing your own tab titles. Removable insert permits easy change of headings to keep the catalog up-to-date. As the collection grows or the emphasis on the material in the collection varies, simply change the headings to meet the new conditions. And since tabs are a part of the guide and not attached to them tabs will not break off.

MORE ROOM FOR HEADINGS

Entire surface of the label is visible so you have room to type two-line headings. Ideal for long titles that previously had to be abbreviated and for headings that need an explanatory note.

TAB POSITIONS ARE EASY TO ARRANGE

In guiding it is impossible to know in advance how many left hand tabs and how many right hand tabs you will need. Golden Guides eliminate this problem because the tabs are transparent on both sides. The No. 28-441 Space-Saver Golden Guide can be used with the tab in either the left or right position simply by reversing the guide.

Loose Leaf Borrowers' Register

Where a numerical registration of borrowers is desired this loose leaf registration form is recommended because entries can be made by typewriter. The accepted application card serves as an alphabetical borrowers' record and the borrowers' register furnishes the numerical record. Each name and address is written in register when application card is completed. The space at the left of the number may be used for date. The registration number appears on the application and borrowers' cards.

Additions and Withdrawals

An accurate record of the number of books in each of the 10 main classes is most essential in keeping the library well balanced. A plus sign (+) is used for additions and the minus sign (-) for withdrawals. We recommend making entries in the same square for each month. The two columns at the extreme right are for the total "plus" and "minus" signs, e.g., 104+ or 25-. The bottom of each sheet carries full instructions.

Circulation Statistics Record (Revised)

This comprehensive form furnishes a compilation of the data gathered from the daily record slips and is prepared by the main library. It complies with the recommendations of the American Library Association committee on Circulation Statistics. In the back is a sheet for monthly and yearly summaries. The page size is 8½ x 11 inches printed on durable ledger paper.

- No. 67-135 1 yr., Demconila cover with plastic spine\$1.75
 No. 67-136 2 yr., Demconila cover with plastic spine 2.90

Simplified Circulation Statistics Record

This form is designed for the small public library which is not in a position to break down statistics into detailed classifications. A record is kept by day of adult and juvenile fiction and non-fiction with provision for miscellaneous materials (pictures, etc.) In the back is a sheet for monthly and yearly summaries. Page size 11¼" x 11", printed and ruled on quality ledger paper with Demconila cover and plastic spine.

Financial Record

This convenient financial sheet contains practically every heading necessary in compiling library accounts. The left page is devoted to the source of all incomes and receipts. The right page provides for the listing of expenditures and is all inclusive. We recommend keeping the budget at the top; the totals in the columns and the balance in red ink, to make these items more easily studied.

Petty Cash Record (Bound Form)

A handy form for recording all receipts and disbursements. Headings on the left hand page are for receipts, such as fines, rental collections, deposit fees, payments for lost or damaged books, sales of non-usable materials and miscellaneous items. Ample space is allowed on the right hand page for disbursements, express and freight charges, postage, supplies, deposit money refunded and miscellaneous expenses.

Demco Quality Book Cards

These high quality book cards are made of a specially developed index bristol with extra tough fibres interlocked in a wear resistant formation that adds longer life to cards. Edges are stronger — resist “burring” or “feathering” even when subjected to rough abrasive action from fingertips and finger nails. Cut with grain running the long way — will not sag in the charging tray.

You can be sure of highest quality whenever you order Demco book cards. Always uniform in color, size, weight, column ruling and spacing. Rigid manufacturing inspection eliminates any possibility of variation. Even the ink used is especially formulated to insure clear, sharp printing at all times.

500	2.70
1,000	4.90

Book Card Covers

Color Coded Book Card Covers

These transparent Mylar slip-on Book Card Covers have 1/2 inch wide color blocks imprinted over the top for fast, accurate identification by color code. Eliminates the use of separate signals which can chew up tops of cards or catch on other cards. Made of .002" Mylar.

When cards are filed by author and call number, the color coding provides a time-saving way to indicate date due. By selecting a different color for each specified loan period the color block automatically identifies the overdue. Color blocks are arranged in this order from left to right:

1st position — blue	4th position — red
2nd position — orange	5th position — black
3rd position — green	6th position — yellow

"Reserve Books" can also be designated by a single color Book Card Cover. If color is not specified, Book Card Covers with fourth position, red, will be sent.

No. 38-686 Color Coded Book Card Covers (100 of a color per box—specify color)

100	\$ 3.55

No. 38-714 Double Charging Tray

Total capacity: 2000 cards and guides. Outside dimensions: 13 $\frac{5}{8}$ " deep; 3 $\frac{7}{8}$ " high; 7 $\frac{7}{8}$ " wide.

1 tray\$9.00 3\$8.50 each

"Tuf-Tab" Charging Tray Guides

Extra Strong at the Tab

Two ways stronger

1. Body of pressboard guide extends entire height of tab. Demco Guide Tabs don't crack or break.
2. Celluloid Tabs heat-sealed to Guide body allowing sufficient card clearance.

Tab guides in charging trays get 100 times the wear of catalog guides. Because each tab serves as a visible index as well as a tool for moving cards, all the strain is on the tab! Demco's "Tuf-Tabs" are four times stronger at the tab, where extra strength is needed. The 30-point pressboard card runs all the way into the tab, prevents cracking or breaking.

10-point acetate tabs, angled for easy viewing. Won't crack at the underfold.

TABS ARE TILTED FOR EASIER READING

Free Printed Guide Headings

Each box of 50 "Tuf-Tab" Charging Guides is supplied with five different sets of headings. They are A to Z, 1 to 31, 12 months, 39 special classification headings, a set of Dewey decimal headings, and a sheet of blanks for typing any special headings you may need. Each box is complete for any charging guide need.

In each box of 50 Demco "Tuf-Tab" charging guides you get these 39 "special classification" headings . . . plus 1-31, A-Z, Month and Dewey headings

FRONT

Just set date returned at date due and read amount of fine in window at left. Window at right for computing fines due on previous month.

BACK

Handy table on back for compensating non-fine days such as holidays and Sundays.

Sliding Fine Computer

EASY TO USE
ACCURATE • COMPACT

Demco's new Sliding Fine Computer calculates fines due—quickly and accurately. A simple move of the slide assures you of the correct answer—in seconds. Ideal for use by circulation personnel—experienced or new. So easy . . . anyone can learn to use it. Instructions printed on computer.

This handy tool puts all the information at your fingertips—yet takes up no desk space. Made of sturdy 6 ply plastic laminated board—only 9/16" long by 2 1/4" wide. Slips easily into pocket or drawer. And it's economical too . . .

Date Cards

Date Cards are used with many different charging systems and are becoming increasingly popular because they speed up charging and are more economical than Date Slips. They are used interchangeably with all books of same loan period so that both sides can be entirely used. You have a choice of 2 styles.

Outline Numeral Date Card

1

Please keep this card in the book pocket.
This book is due on the latest date stamped.
Please keep this card in the book pocket.

2

The Outline Numeral Date Card makes it easy to determine latest Due Date. Each section is filled in turn before using the next. Available in *Medium Weight only* in white, blue, buff, green or salmon. For rigidity, grain runs long way of card. Be sure to state color of card desired. 12.5 cm. high x 7.5 cm. wide.

Demco Tear Resistant Book Pockets

Demco's new and improved Book Pocket is the toughest we've ever found! It's made of the same weight stock as previous Demco Book Pockets, and manufactured under strict supervision in Demco's own plant. Every mill run of book pocket stock is laboratory tested to maintain high

quality tear strength. You'll like this better pocket for the same money—and it saves you money because it's tougher—lasts longer! Order a supply today! Your money back if you are not entirely satisfied!

How to Order Book Pockets

1. Book Pockets are furnished plain or printed to order.
2. If printed pockets are desired, enclose exact copy or send a sample of printed pocket. If standard Rules for school and public libraries (shown below) are desired, be sure to specify whether you want Rules "A" or Rules "B".
3. Your order for printed pockets must be for 500 or more. Orders for less than 500 cannot be accepted.
4. Orders for 3000 or more printed pockets may specify

colored ink without extra charge. Choice of Green, Red, or Blue. If no color is specified pockets will be printed with Black ink.

5. Pockets are packed 500 to a box. Orders for plain pockets in less than 500 lots will be accepted in lots of even 100's. A higher rate is charged where less than 500 are ordered.

Plain pockets will be furnished when printing is not specified on order.

Standard Printed Rules for Book Pockets

Rules "A"
For School Libraries

Central School Library
Fort Wayne, Ind.

1. All pupils in the school are entitled to use the library and to draw books.
2. Reference books, such as encyclopaedias and dictionaries, are to be used only in the library.
3. Reserved books may be borrowed for one period, or at the close of school, and should be returned before the first class the following school day.
4. All other books may be retained for two weeks.
5. A fine is charged for each day each book is overtime.
6. Injury to books beyond reasonable wear and all losses shall be paid for.
7. No books may be taken from the library without being charged.

DEMCO

Rules "B"
For Public Libraries

Cornell Public Library
Ithaca, N.Y.

1. Books may be kept two weeks and may be renewed once for the same period, except 7 day books and magazines.
2. A fine is charged for each day a book is not returned according to the above rule. No book will be issued to any person incurring such a fine until it has been paid.
3. All injuries to books beyond reasonable wear and all losses shall be made good to the satisfaction of the Librarian.
4. Each borrower is held responsible for all books drawn on his card and for all fines accruing on the same.

DEMCO

Pocket illustrated is 25-300

No. 25-380 Replacement date Slips on the next page are designed for use on Date Slip Pockets.

Extra-Wide
Reinforced

Hi-Lo Date Pocket

The tall back flap of the regular Demco Reinforced Hi-Lo Book Pocket is imprinted for use as a Date Slip.

Front flap may be imprinted with library name and rules per your copy.

3½" wide inside, front flap
2½" high. Total height 6¼".

Reenforced Book Pocket

Reinforced style accounts for the popularity of this book pocket. Double thickness at the top and corners gives added strength where wear is greatest. Also the folded under edge of this special paper acts as a grip to the inserted card. The picture shows the construction. It is easily inserted in the typewriter. Dimensions 3½" wide, 4½" high.

Lo-Lo Reenforced Book Pocket

Here's a useful pocket in demand by libraries using "Identification Cards" rather than "Borrowers Cards". The identification card may be slipped into the low pocket without concealing the card.

The correct pocket to use where library circulates books with jackets. Low pocket permits both pocket and date slip to be placed on fly leaf of book. Also popular with libraries using the Machine Charging Systems with an identification card.

Size 3½" wide, front flap 2½" high, back flap 3¼" high.

Multiple Copy Overdue Notices

No envelope required for First Notice

Demco Multiple Copy Overdue Notices save time and money. One typing prepares the Overdue Post Card as well as a Second Notice and a Final Notice.

The Post Card Notice gets results in 90% of the cases, requires no envelope and less postage. The Second and Final Notices may be attached to the Book Card or filed back of the "overdue" guide — ready for instant use. These notices are mailed in window envelopes so it is not necessary to re-type the name and address.

Both the 3 part forms and the window envelopes may be imprinted with the library name and address at a small additional charge. Or if purchased plain, the library imprint may be added with a rubber stamp.

The No. 65-278 Demco Multiple Copy Overdue Notice is printed in 3 parts in sets of two with a side stub. The outside form (First Notice) is buff postcard stock; middle form (Second Notice) is white; last form (Final Notice) is pink. Size of each form: 3" high, 4 $\frac{15}{16}$ " wide.

No. 65-278 Overdue Notices

	Plain	Imprinted
500	\$ 7.35	\$ —
1,000	13.75	19.50

HOW TO LOCATE A BOOK

Books are arranged on the shelves in numerical order according to the Dewey Decimal Classification system, which divides all books among ten main divisions with numbers as follows:

- 000-099 **GENERAL WORKS:** including encyclopedias, newspapers, periodicals, bibliographies, etc.
- 100-199 **PHILOSOPHY:** including books on psychology, ethics, etc. For example—a book on ethics would be numbered 170.
- 200-299 **RELIGION:** Christian and non-Christian beliefs including books on classical mythology.
- 300-399 **SOCIOLOGY:** including government, economics, education, banking, commerce, folk-lore, etc.
- 400-499 **LANGUAGE:** grammars, dictionaries, readers, etc. in all languages.
- 500-599 **SCIENCE:** including mathematics, astronomy, physics, geology, chemistry, biology, botany, zoology, etc.
- 600-699 **USEFUL ARTS:** medicine, engineering, business accounting, salesmanship, agriculture, etc. For example—a book on Refrigeration would have the number 621.5.
- 700-799 **FINE ARTS:** including architecture, painting, photography, music, amusements, etc.
- 800-899 **LITERATURE:** poetry, dramas, debates, essays, etc. in all languages. For example—a book on American Oratory would be numbered 815.
NOVELS: are arranged alphabetically on the shelves by the authors' surname. For example—Alcott, Stevenson and Twain.
- 900-999 **HISTORY, TRAVEL, and BIOGRAPHY:** Books on HISTORY include all countries and all ages.
Books on TRAVEL (in all countries) would have numbers between 910 and 919.
BIOGRAPHY: of an individual is arranged alphabetically by the name of the person written about. For example—a biography of Napoleon would be arranged on the shelves after Lincoln but before biographies of Washington.
Collective Biography (covering the lives of more than one person) is arranged numerically under the number 920.

If you have difficulty in finding a book, we will be glad to help you.

**How to Locate
a Book**

This outline of the Dewey Classification is printed in black on heavy ivory-colored poster board, laminated on both sides to prevent soiling. Size 16" high, 10" wide. Equipped with eyelets for hanging.

**No. 48-492 Classification
Poster**

1	65¢
3	60¢ ea.
6	55¢ ea.
12	50¢ ea.

How To Use The Card Catalog

This is a catalog of books in the library arranged alphabetically by author, title and subject.

Example: The book entitled "Consumer Goods", by Edward Reich may be found under Reich, the author, in the drawer marked R, under "Consumer Goods", the title, in the drawer marked C, and under "Commercial Products" in the drawer marked C.

All books about a person may be found under his last name

Example: Lindbergh, look in drawer marked L.

The letters and figures in the upper left hand corner of each card show where the book may be found on the shelf. The books are arranged on shelves in numerical order from 100 to 900, and under each number alphabetically by author.

Fiction books will be found on shelves grouped alphabetically under the authors' last names.

Example: Austen, Cather, Welpole.
If you cannot find the book you want, the librarian will gladly assist you.

**Instruction
Poster**

This poster proves a great help to those patrons who are not wholly familiar with the library catalog.

Size 12" high by 9" wide. Printed in black on heavy ivory-colored poster stock, laminated on both sides to prevent soiling. Corners rounded.

No. 48-493	Instruction Poster
1	60¢
3	55¢ ea.
6	50¢ ea.
12	45¢ ea.

Demco Visible Registration

Demco Visible Registration System at the Lakewood, Ohio Public Library. Four trays holding 31,356 names require sunken desk compartment only 67" wide by 23 1/2" deep.

Visible Registration instantly reveals borrower's name, address, registration number and expiration date. In addition, it can be used to flash delinquent borrowers or registrations which have expired. Hobbies and special reading interests can be signalled. By visualizing basic borrower information, you can determine any fact in less than 5 seconds and save hours of staff time over the year.

Visible Application Cards

I hereby agree to obey all the rules and regulations of the LIBRARY, to pay all fines promptly, to make good any loss or injury to books loaned by me, and to give immediate notice of any change of address.

Card Carrier Panel with Tabbed Pressboard Guide

Card Carrier Panel holds 3 tracks of visible cards—117 cards per panel. Panel is made of durable laminated plastic—light in weight so whole panel of 117 cards can be easily removed. Included with each panel is a metal tabbed pressboard guide that tells you quickly what 117 names are behind it.

No. 33-727 Card Carrier Panel (including pressboard guide)\$4.50
Tabs on guides are available in 2nd, 3rd and 4th positions. Please specify quantity of each position tab you desire.

Junior Tray

Steel card tray for housing Card Carrier Panels and Guides. Holds a maximum of 26 panels with a total card capacity of 3,042 names. Outside dimensions of tray: 15 1/4" wide, 12" deep, 7" high.

Overall height to top of guide tab: 10 1/2".
No. 33-728 Junior Tray\$15.50

Senior Tray

Large size steel tray for housing Card Carrier Panels and Guides. Holds a maximum of 67 Panels with a total card capacity of 7,839 names. In large libraries Senior Trays are often used in units of 4, 5, and 6 trays built into charging desk.

Outside dimensions of tray: 16 3/4" wide, 23 1/2" deep, 6 3/4" high.

Overall height to top of guide tab: 10 1/2".

No. 33-729 Senior Tray\$47.50

Demco Visible Charging

1. Eliminates Borrower's or Identification Cards.
2. Eliminates all stamping at time of charging.
3. Catches all delinquent borrowers owing fines.
4. Flashes expired registrations—clears your files of inactive cards.
5. Codes hobbies and reading interests of patrons — improves staff service to the public.

For complete information on this inexpensive and modern charging system, send us complete information on your registration and charging system together with samples of forms used. Include the number of active adult and juvenile borrowers. Our Library Research Division will send you full details.

We Pay Transportation Charges

Visible Listing Record

Resilient veneer strips, 6" wide by $\frac{1}{4}$ " high, in sheet form, 28 strips to a sheet, are ideal for visualizing lists. Strips are surfaced on 2 sides with paper, making them easy to type. See the illustration below. Strips do not have a transparent covering.

Strips are also available 6" wide x $\frac{1}{8}$ " high which is typewriter spacing. These $\frac{1}{8}$ " high strips come 42 to a sheet.

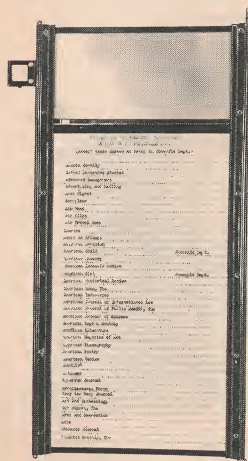

Use Demco Visible Listing Record for the Index to Periodicals or visualize your list of New Books, Reserve Books, Rental Collection, or Numerical Index to Borrowers.

Roll scored sheet of strips into typewriter and type information as you would an ordinary sheet of paper.

Separate by snapping the strips apart.

Place listing in frame — bend strip slightly and it will snap into position under side channels.

No. 33-730 Panel

No. 33-725 Buff strips 6" wide x $\frac{1}{4}$ " high in sheets of 28 strips.

No. 33-726 Buff strips 6" wide x $\frac{1}{8}$ " high in sheets of 42 strips.

10 sheets\$2.85 50 sheets\$11.75
25 sheets 6.20 100 sheets 22.50

Strips are inserted in double faced panels 15" high x 6" wide. Panels are then mounted on Wall Brackets which can be fastened to a convenient wall. Brackets are available in wide range of sizes.

No. 33-730 Double Faced Panel, 15" x 6" (holds 114 $\frac{1}{4}$ " strips or 170 $\frac{1}{8}$ " strips)

Panel without strips\$3.80 each

No. 33-723 Red celluloid signals, $\frac{3}{8}$ " long to slip over $\frac{1}{8}$ " strips\$1.85 per 100

No. 33-724 Red celluloid signals, $\frac{3}{8}$ " long to slip over $\frac{1}{4}$ " strips\$1.85 per 100

(Brackets also available for 25, 32, 33 and 42 panels)

Visible Listing for Bookmobiles or Branch Libraries

A handy, inexpensive, compact visible index that speeds up Bookmobile charging. All basic information is typed on a $\frac{1}{8}$ inch buff-colored flexible strip 6 inches wide. Names are arranged alphabetically by route or stop number.

The Visible Index can be fastened down while the Bookmobile is in motion. Attractively finished in a Neutral Gray that will not chip.

Ideal, too, for Branch Library Visible Charging with a list of 100 to 2,500 borrowers.

Prices below cover complete Visible Index including the sheets of flexible strips.

Periodical Checking Cards

[illegible]

No. 28-144 (front)
Size—7.5 x 12.5 cms. (3" x 5")
White Index Bristol

Here is a simple, accurate, easy way to keep a check on the arrival of your magazines as well as their subscription expiration dates. When you receive the publications they can be checked on the front of the card, or the date of their receipt written in. On the reverse side we have space for the list price, number of volumes per year, date ordered, expiration date, source, cost and date of renewal. This white Demco bristol card is 7.5 by 12.5 centimeters (3 x 5 inches).

[illegible]

Vertical Filing Supplies

Your library can have a complete and readily accessible Information File with the use of these legal size pressboard metal tab guides and individual tab folders. A filing expert is no longer necessary to insure efficient maintenance of your valuable Information File. The Information File in your library can be kept under three simple positions, the arrangement of which allows for expansion at any time and is completely visible.

1. Fifth cut, Legal size guide—first position for main subject headings.
2. Fifth cut—second position for subdivisions of main subject headings.
3. A tabbed folder directly to the right of the subdivision guides.

Pressboard Metal Tab Guides

These guides are made of sturdy 25-point gray pressboard with 3rd and 5th cut metal tabs of steel, finished in baked black enamel to prevent chipping.

Insertable blank white typing labels and celluloid covers furnished with guides.

Available in letter and legal size. All guides have eyeletted extension at bottom for filing cabinet rod.

Micropore Stamp Pad

"Never needs re-inking"

This new stamp pad never needs to be re-inked, yet gives over 200,000 sharp, crisp impressions. Cannot leak because the microscopic ink beads are scientifically blended in porous plastic. Exclusive instant drying ink is odorless—pleasant to use even in close quarters.

No ink fade-out . . . from first to last each impression is uniformly clear and easy to read—even with 6 point type. Reproduces on Bruning and Thermofax copying machines.

Available in five colors: black, blue, red, green and purple. *If color is not specified, black will be sent.*

No. 63-905 Micropore Stamp Pad—3" x 4½"\$1.35 each

De Luxe Rubber Base Stamp Pad

Outstanding Features:

Silent Rubber Base.

Reversible Stamping Surface—2 pads in one.

Perfect impressions—no smears.

The reservoir principle makes it easy to re-ink.

Typewriter ribbon stamping surface outwears all others.

Reservoirs keep pad inked six times longer than ordinary pads.

Available in black and red. *If no color is specified, black will be sent.*

No. 63-923 2½" x 4"\$1.75

No. 63-372 Refill for 2½" x 4" pad85

Foam Rubber Stamp Pad

This efficient, self-inking foam rubber stamp pad is the old standby that has been used at the charging desk for many years. It is available in three colors: black, blue and red. *If color is not specified, black will be sent.*

No. 63-900 Size 1—2¾" x 4¼"\$.90

Per dozen 9.85

Stamp Pad Ink

This high quality Stamp Pad Ink comes in an unbreakable plastic flow control dispenser. Four colors: black, blue, red and green. *If color is not specified, black will be sent.*

No. 63-914 Stamp Pad Ink (2 oz. Plastic Dispenser)\$.95

Rubber Stamps

Each stamp is made to order of thick, pure Para rubber with the mountings made upon a solid rubber cushion. This stamp will give service and a clean, neat impression.

Made with knob handle as pictured.

Stamps over 2½" are slightly higher in price. Send copy and approximate length desired.

Signature stamps are extra in cost. Write for quotation.

Library Embossing Stamps

You have choice between pocket or desk seals. Either model can be furnished with a round or straight line seal. The round seal allows 25 letters in the outer circle, but if more are required a smaller type can be used. The straight line embosser is limited to 3 lines, none over 2" long. Straight line usable only at top or bottom of page—specify choice.

If round seal, specify whether stamp is to be used at top, bottom, right or left hand side of page.

When ordering an embossing stamp please tell us:

1. Which style stamp is desired, Round or Straight Line.
2. If Round, specify if stamp is to be used at top, bottom, right or left hand side of page.
3. If Straight Line, specify where stamp is to be used — at top or bottom of page.

Only the desk stamp is illustrated.

No. 63-383 Pocket stamp with seal\$ 8.65

No. 63-384 Desk stamp with seal 14.50

Safety Paper Cutter

— Ideal for School Use —

This all metal Safety Paper Cutter has been designed to combine safety and accuracy with high quality and long life. Safety has been assured by replacing the guillotine knife edge of the conventional cutting board with a well-guarded revolving cutting wheel.

Careful workmanship, rigid inspection and the best materials assure you a cutter that will give a long, satisfactory service. Cutting wheel and blade made of finest alloy steel. Rigid non-warping aluminum base-board with mar-proof surface marked with permanently en-

graved guide lines accurately spaced at half inch intervals. All steel and brass parts triple plated to guarantee lasting quality. Gives trouble-free performance even after years of use.

Ideal for school use. Light weight — 12 inch size weighs only 3¾ pounds.

For cutting paper (approximately 6 sheets of bond paper at a time) and light cardboard. Can also be used to cut curves and other shapes.

Safety Paper Cutter without Guide Bar

Conventional Paper Cutter

A high quality guillotine cutter for trimming mounts and pictures. Straight, positive, clean cutting is assured. Blades are finest tempered tool steel held in absolute alignment through a special type of construction. Spring joint gives blade a slightly lateral motion to insure a better cut. Base of cutter is divided into ½" squares, the top ruled in 1¼" lengths, allowing accurate trimming at any point. Large size cutters (15" or larger) should always be permanently fastened to a flat surface.

Dem-Latex Liquid Rubber Cream Glue

The ideal mounting adhesive that covers four times the area of ordinary rubber cement. This new Liquid Dem-Latex really sticks and holds. It keeps better—never hardens, thickens or becomes lumpy and sticky with age.

Handy squeeze bottle eliminates use of a brush, makes it easy to spread a thin film directly on the surface to be mounted.

No. 62-858 Liquid Dem-Latex	
6 oz. Squeeze Bottle	\$1.35

Shelf Label Holders

The style shown below is a three-sided steel label holder available in 5 colors: black, brown, gray, green or tan enamel finish. These holders are primarily for wood shelves. Tongues keep label holders in place on the shelves by pressing up the two projections against the under side of the wood shelf.

They take a label $\frac{3}{4}$ " high by 5" long. Blank labels and celluloid covers are furnished with all holders.

If color of holder is not specified, black will be sent.

No. 28-878 for shelves from $\frac{5}{8}$ " thru $1\frac{1}{16}$ " in thickness.

Electric Pencil

A sturdy electric lettering device for marking the backs of books. The 5½ foot rubber-covered cord is equipped with an "off and on" switch. Handle has cork protector.

Two interchangeable writing points are included: one for medium lines and the other for fine lines. Points are interchangeable merely by unscrewing from the Pencil.

The Electric Pencil operates on either 110-volt A. C. or D. C. current, using the transfer paper listed.

No. 28-040	Electric Pencil	\$4.25
No. 28-050	Electric Pencil Holder40

Spray the backs of books with Demcote (see page 116) before and after lettering.

Electric Sealing Iron

Here's a quick sure way to make "extra tacky" pressure sensitive paper labels (see below and page 11) stick to the spines of almost any kind of book.

Electric Sealing Iron has a 1½" x 1½" heating area. Included with each Sealing Iron is one 3" x 4" Transparent Teflon square. Teflon is the new wonder plastic that nothing will stick to. Simply place Teflon square over label and apply Sealing Iron. Keeps labels neat and clean and protects typing and India Ink from smearing. Eliminates excessive cleaning of iron—speeds production. To keep labels on permanently, apply a strip of Magic Mending Tape (page 116) over label with Heat Seal Iron.

Sealing Iron operates on 110 volt A.C. Current. Safety pad to rest heating area on while it is hot included with each Sealing Iron.

No. 28-010	Electric Sealing Iron	\$4.20
No. 28-001	Package of 6 (3" x 4") Transparent Teflon Squares90

Extra Tacky Call Number Labels for use with No. 28-010 Sealing Iron

(illustrated on page 11)

Extra Tacky Pressure Sensitive Adhesive labels are made of special flexible paper that makes them conform and hold better when applied to grained cloth spines of books.

For more permanent results use with Demco No. 28-010 Sealing Iron (above) to seal label and its covering of Magic Mending Tape (page 116) to spine of book.

Transfer Paper

Demco cellophane-backed Transfer Paper assures you of satisfactory results when used for marking books with an electric pencil. Demco Transfer paper is always fresh because you receive it in an air-tight sealed plastic container.

It is recommended that purchases of transfer paper be restricted to a year's supply. That is why Demco offers you a choice of 3 different lengths of transfer paper.

Demco Transfer Paper is 7/8" wide and is available in three lengths.

Set-Rite White Ink

New cloth bindings with modern plastic coatings make book marking difficult when ordinary White Inks are used. Demco research has created a new White Ink formula that:

- Adheres to any cloth or tape
- Sticks to metal, wood or plastic
- Resists flaking off or powdering
- Writes incredibly whiter.

Radiant White Lettering Ink

About 20 years ago Demco pioneered in the use of a white ink with titanium as a base in place of white lead. A special formula was developed for us and this particular ink has stood the test of years. You may be using some other white ink. Just try Radiant White Ink. You'll find it remains soft in the bottle; flows easily from the pen point; adheres strongly to the surface; covers with a dense opacity and is easily waterproofed.

Bruning Electric Eraser

Precision erasures electrically in seconds. Removes—ink, pencil, typewritten, printed marks—completely.

Easy to hold and use. Streamlined design and pressure action switch engineered for comfort and efficiency. Tapered pencil-like shaft permits comfortable, relaxed hand position when in use. Small machined grooves in shank assure non-slip grip.

Ring-type chuck holds eraser firmly in place, yet slides back easily for quick replacements.

Permanently lubricated — never needs oiling.

Low-friction bearings provide smooth, quiet vibration-free operation. Only one moving part—the rotor.

SPECIFICATIONS: Black, 7½" long. Approximately 20 ozs. Operates on 115 volt, 50 or 60 cycle A.C. With 7 foot cord and retractable hanger. Flare-end fitting cord won't pull loose from case.

No. 63-707 Bruning Electric Eraser
(includes four No. 63-708 hard gray
and two No. 63-709 soft red erasers) **\$23.95**

Erasers for above—boxed, 7" long

No. 63-708 Hard Gray 12 for \$1.00
No. 63-709 Soft Red 12 for \$1.00

Design permits comfortable hand position. Always operates at right speed—2800 to 3400 r.p.m. If too much pressure is applied, motor stalls harmlessly.

Standard Ring-Type Chuck

Easy-draw ring tightens chuck and holds eraser securely. Erasers easily changed in seconds.

Box Shipped Flat

- Easy to assemble
- Flattens for storage
- Low cost — Many uses

Economy Folding Tote Box

Economical and practical. 200 lb.-test corrugated cardboard. Insures safe circulation of valuable audiovisual materials; filmstrips, reels, film-cans, microfilms, recording tape, record albums, overhead transparencies, slides, etc.

Useful in circulation of classroom book collection from a central library and for interbranch transportation of materials in a public library system. Can also be used as inexpensive container for materials requiring short-time storage.

Shipped flat to take up less space until assembled. Capacity: 15½" x 12¼" x 10¼". No taping required. Instructions included.

Tackboard Wall Bulletin Boards

Cork Wall Bulletin Boards

Demco Wall Bulletin Boards have a posting surface of genuine tan cork composition 1/8" thick securely mounted on a substantial 3/8" back panel made of tough fibreboard. Surface will not disintegrate from repeated use of the same tacking surface. Holes made by pins or tacks quickly close up. Ideal for Mitten Pinback Display Letters without bending pins or breaking letters. Surface is washable. Boards are equipped with hangers.

Tackboard is the newest development in Wall Bulletin Boards. It has a durable "spray green" colored vinyl surface with a texture weave that harmonizes with all color schemes. The vinyl covering is securely mounted on durable wall board which has a masonite backing to eliminate any warping.

The new vinyl surface is ideal for displays involving the use of thumb tacks or Mitten Pinback Letters. Holes quickly seal. Also provides an attractive, dramatic background for Demco Profile Plastic Letters.

Tackboards have an anodized satin-finish aluminum frame and are equipped with hangers. Available in 2 sizes.

No. 46-853 Tackboard 24" x 36"\$25.75
No. 46-854 Tackboard 36" x 48"39.25

Available in 2 sizes with either natural finish red oak frame or extruded aluminum frame in satin finish. Aluminum frame is anodized to prevent discoloration.

Made to Order Trakk Signs

For permanent Trakk signs to be placed on top of book shelving to indicate type of book collection or for name or room signs, let Demco supply the 3-dimensional Mitten's Trakk Letters and the proper length of unpainted Trakk for the sign. Simply tell us:

1. Size and character-face of letter desired.
2. Exact wording of each sign.
3. Whether Upright or Angle Trakk is needed and catalog number of Trakk.

We will specify letters, proper length of Trakk and complete quotation. Write Demco office nearest you.

® Trade Mark Mitten Display Letters, Inc.

MODERN & CLASSIC

Profile Plastic Display Letters

Make your signs and displays dramatically outstanding with Demco's broad, colorful selection of Profile Letters.

Choice of two beautifully designed styles . . . modern and classic . . . with sharp, flat, raised surfaces that quickly catch light shadows that highlight their natural three-dimensional beauty.

Made of molded plastic with a self-adhering back that sticks to practically any smooth surface . . . wood, glass, metal, plastic, lucite . . . doors, desks, pegboards, tack-boards and displays. Ideal, too for use as section label signs or on the ends of stack ranges. Can be used anywhere — not affected by weather or sunlight.

Profile Letters can be used for both permanent and changeable signs or displays. Simply press in position and they stay there . . . or remove them and use them over and over again. If after repeated use letters need more adhesive, simply apply a few drops of Demco Replacement Adhesive to make them stick like new again.

Choose from four colors and four sizes

**ADD VARIETY TO YOUR DISPLAYS
WITH DEMCO DISPLAY SETS**

Especially designed for library display work to give you a practical, handy assortment of popular profile letters. Either kit gives you everything you need to produce beautiful displays and signs quickly and easily.

Specify color for each size. Sets are

available with all letters and numerals of one color, or you may choose a different color for each size. Your choice of white, black or red. If color is not indicated, all white will be sent.

Display sets available with white, black or red letters and numerals only.

Pin-back Plastic Display Letters

New!

Each letter contains two slender metal pins—hand embedded for strength.
Available in sizes 1" to 2 1/2" in white, black or red.

Colorful, deep-dimension letters have two sharp pointed 1/8" metal pins specially designed for use on soft backgrounds. Slender pins won't gouge or nick, easy to use. Merely position and press down. Stay permanently or can be removed in seconds. Reusable over and over. Each set is shipped in a convenient compartmented storage box. (Approximately 130 characters to a set.) Gummed labels furnished for marking contents of each compartment.

Demco Sign Cabinet

... make expert signs
in minutes with Gummed Letters!

Demco Sign Cabinets are supplied in your choice of sizes and colors. The complete 3-font cabinet includes $\frac{3}{4}$ ", $1\frac{1}{8}$ ", and 2" sizes in separate trays, each font containing both letters and numerals.

You can start with a 2-font cabinet with a choice of $\frac{3}{4}$ " and $1\frac{1}{8}$ " sizes, the $1\frac{1}{8}$ " and 2" sizes or the $\frac{3}{4}$ " and 2" sizes. There is space in the cabinet for adding the third size later.

All fonts are available either in dark red or patent leather black. Your order should specify colors by size.

Each font has a normal type distribution, with a greater amount of the most-used letters. Refills of individual letters and numerals can be ordered from Demco at small cost.

3-Font Cabinet

includes these items:

- 1—Tray of 2450 letters and numerals, $\frac{3}{4}$ " size. Red or black
- 1—Tray of 1975 letters and numerals, $1\frac{1}{8}$ " size. Red or black
- 1—Tray of 875 letters and numerals, 2" size. Red or black
- 100 $\frac{3}{4}$ " x 14" "Line-a-time" Mounting Strips
- 100 $1\frac{1}{8}$ " x 14" "Line-a-time" Mounting Strips
- 100 2" x 14" "Line-a-time" Mounting Strips
- 50 11" x 14" Guide Line Mounting Cards
- 1 Heavyweight Sign Cabinet without Trays

No. 46-018\$31.25

2-Font Cabinet "A"

($\frac{3}{4}$ " and $1\frac{1}{8}$ " sizes only)

includes these items:

- 1—Tray of 2450 letters and numerals, $\frac{3}{4}$ " size. Red or black
- 1—Tray of 1975 letters and numerals, $1\frac{1}{8}$ " size. Red or black
- 100 $\frac{3}{4}$ " x 14" "Line-a-time" Mounting Strips
- 100 $1\frac{1}{8}$ " x 14" "Line-a-time" Mounting Strips
- 50 11" x 14" Guide Line Mounting Cards
- 1 Heavyweight Sign Cabinet without Trays

No. 46-020\$21.95

2-Font Cabinet "B"

($\frac{3}{4}$ " and 2" sizes only)

includes these items:

- 1—Tray of 2450 letters and numerals, $\frac{3}{4}$ " size. Red or black
- 1—Tray of 875 letters and numerals, 2" size. Red or black
- 100 $\frac{3}{4}$ " x 14" "Line-a-time" Mounting Strips
- 100 2" x 14" "Line-a-time" Mounting Strips
- 50 11" x 14" Guide Line Mounting Cards
- 1 Heavyweight Sign Cabinet without trays

No. 46-022\$23.35

2-Font Cabinet "C"

($1\frac{1}{8}$ " and 2" sizes only)

includes these items:

- 1—Tray of 1975 letters and numerals, $1\frac{1}{8}$ " size. Red or black
- 1—Tray of 875 letters and numerals 2" size. Red or black
- 100 $1\frac{1}{8}$ " x 14" "Line-a-time" Mounting Strips
- 100 2" x 14" "Line-a-time" Mounting Strips
- 50 11" x 14" Guide Line Mounting Cards
- 1 Heavyweight Sign Cabinet without trays

No. 46-026\$23.55

Make sure your order specifies color desired for each size letter and numeral.

Prices on 36 Compartment Units for Sign Cabinet

Letters and Numerals, Red or Black, \$7.95 per Font

Demco new improved Gummed letters are so reasonable in cost that you can't afford to cut out and paste on homemade letters. These new letters are easy to use—simply moisten and apply. They adhere instantly and will not come loose unless deliberately removed.

Demco Gummed Letters are arranged in scientific fonts, with more of the common consonants and vowels.

36 COMPARTMENT FONT				
Size	Cat. Number		Quant. in Font	
	(Red)	(Black)	Letters	Nos.

NEW!

hook n' loop®**DISPLAYS**

Amazing holding power
that creates dramatic
visual impact for you

"Hook n' Loop" Display Panels Available
now in these 4 colors—
for immediate shipment:

GOLD • RED • BLUE • BLACK

The following colors are also available—
but with a slight shipping delay:

**GREEN • TURQUOISE • AVOCADO GREEN
MEDIUM GRAY • DARK GRAY • BROWN
BEIGE • ORANGE-RED • WHITE • OFF-WHITE**

Please state exact color desired on your order.
See listings on opposite page. Information about
"Pressure-Sensitive" fabric available on re-
quest.

**"Hook n' Loop" Tapes**

Available by the yard or
in handy "Quik-Paks"—
small pre-cut pieces in
high impact plastic containers.
See listings on opposite page.

Easy To Use To display an object with "hook n' loop" simply attach one side of the special tape to the object as directed. Then, simply hang it on the display board. That's all there is to it.

No extra supports are needed—no special construction.

You can display books, art objects, posters—and things you never displayed before because they were too big, or too awkward to put up easily.

"Hook n' loop" displays make ideal bulletin boards, exhibits, free-standing or table-top presentations. You can use them in display cases, in permanent exhibit areas or in panoramas. Singly—or in combination with other

Unless you actually felt the fabric-surface of a "hook n' loop" display board you might never know that it's actually made of thousands of tiny nylon loops—so small you can hardly see them.

These little nylon loops, designed to interlock with the nylon-hooks on "hook n' loop" Tape make it possible for you to hang almost any object—at a touch without fumbling for hooks or fasteners. "Hook n' loop" tapes fasten themselves to "hook n' loop" display boards with

a mere suggestion of pressure. The result is a bond so secure, so amazingly strong, you can display to 10 lbs. of dead weight using just one square inch of tape.

But that's not all.

The unique principle of "hook n' loop" design enables you to take anything off the display board in an instant—and replace it, again and again, without ever having to re-fasten or re-mount it in any way. Once you properly adhere "hook n' loop" tape to any object you can put that object back on the big display board at any time. "Hook n' loop" **retains** its amazing holding power!

Magnified view of loop fabric

display panels (pegboard, tackboard, corkboard, etc.) "hook n' loop" displays command attention, provide you with the maximum in visual impact!

Built to Last "Hook n' loop" Display Boards are made with high quality nylon fabric on strong aluminum panels. Anodized aluminum frames stay bright and handsome with minimum care. Entire display is designed for long wear and maximum use.

See both "Hook n' loop" Display Boards and "hook n' loop" tapes on opposite page. Order to meet your own specific needs.

Colors shown match products as closely as high-speed printing methods permit.

There's a "Hook N' Loop" Tape to Hold Almost Anything!

FOR PAPER, WOOD, GLASS AND METAL

Gummed Back Tape

■ Immerse tape in water, then position on item you want to put on "Hook n' loop" Display Board. Dries quickly on paper, wood or cardboard. Non-porous items (glass, plastics, metal) require longer drying time.

Width: One inch.

No. 46-172 Black.....\$2.45 yd.
No. 46-173 White..... 2.45 yd.

In handy "Quick Paks." Tape pre-cut into 150 (approx.) 1/2" pieces. Screw-top plastic container.

No. 46-189 Black.....\$5.25
No. 46-175 White..... 5.25

FOR PLASTIC ITEMS

Solvent Activated Tape

■ Requires special non-toxic solvent (sold below) to activate tape. Solvent attacks plastic—makes more permanent bond. Width: One inch.

No. 46-176 Black.....\$2.45 yd.
No. 46-177 White..... 2.45 yd.

In "Quik-Paks." Approx. 150 pre-cut 1/2" pieces. In screw-top plastic container.

No. 46-178 Black.....\$5.25
No. 46-179 White..... 5.25

Solvent for Tape above.

No. 46-180 Bottle, 3 oz.....\$1.35
No. 46-188 Can, 16 oz..... 4.25

FOR HEAVY OR UNUSUAL OBJECTS

General Purpose Tape

■ Excellent for practically any material, wood, glass, plastic, metal, especially odd items. Use with special adhesive (sold below). Width: One inch.

No. 46-182 Black.....\$1.45 yd.
No. 46-183 White..... 1.45 yd.

In "Quik-Paks." Approx. 150 pre-cut 1/2" pieces in screw-top plastic container.

No. 46-184 Black.....\$4.95
No. 46-185 White..... 4.95

Special adhesive for tape above.

No. 46-186 Bottle, 3 oz.....\$1.35
No. 46-199 Can, 16 oz..... 4.25

Expandable Book Caddy

- Polished brass finish
- Reinforced to prevent sagging
- Rubber tipped legs

Folds flat for storage

For displaying books on counter tops, tables or desks there's nothing so practical and decorative as the new DEMCO BOOK CADDY. Expandable and self-locking ... holds from 1 book to an 11 inch row of books securely. Rubber tipped legs will not scratch, mar or slide on smooth surfaces. Made of heavy gauge brass plated steel reinforced to prevent sag ... holds any weight or size books. Special 4 row frame base keeps paper back books from slipping out.

No. 48-050 Expandable Book Caddy

ROYAL-GARD®

magazine binders

7 scientifically selected sizes

**RIGID**

Won't droop or sag in vertical display shelves. Clear front and back

LOCK STYLE

For table, inclined or vertical display. Made of sturdy, rigid vinyl with clear front and clear back heat-sealed for permanence to red opaque spine. No rivets to pull loose. Hardware is inserted in red vinyl sleeve and heat-sealed to spine for greater strength. Rigid vinyl Royal-Gards stand upright even in vertical racks.

Turn the key — it opens. Press bar down — it locks. Changing magazines is fast and easy because you use key only to unlock. Prevents loss of magazines—can be unlocked only with specially designed key included with each order.

Catalog Number	Maximum Magazine Size		Price
	Height	Width	
43-661	7¾"	5⅝"	\$3.30
43-663	9½"	6¾"	\$3.50
43-665	10⅞"	7"	\$3.70
43-667	11¼"	8½"	\$3.85
43-669	11¾"	9"	\$4.10
43-671	13"	10"	\$4.25
43-673	13¾"	10¾"	\$4.50

ROD STYLE

Made of the same sturdy, rigid vinyl as Lock Style above to give you maximum protection at the lowest possible cost. Clear front—clear back. Heavy duty spring steel fastening rod heat-sealed to spine makes magazine changing quick and simple. No rivets to pull loose. Fastening rod opens at the bottom so magazine pages cannot catch or tear on hardware.

Catalog Number	Maximum Magazine Size		Price
	Height	Width

Here's how
Demco's
exclusive
Lock style
binder works:

NO KEY
NEEDED
TO LOCK

Press fastening rod into position and it locks automatically.

KEY
UNLOCKING

Unlocks only with specially designed, easy-to-use key. Prevents loss of magazines.

Plastic
Foam
Insert
Cross Section

SURE-GRIP
PLASTIC FOAM
INSERT

Holds thick or thin magazines firmly in place without slipping or sliding.

FLEXIBLE

Ideal for sloping display shelves.
Clear front, red opaque back.

LOCK STYLE

Made of durable flexible vinyl with clear front and red opaque back that overlaps the front to give it greater wearability. No rivets to pull loose. Hardware is heat-sealed to spine for greater strength.

Demco's exclusive "positive locking" hardware prevents loss of magazine, yet is so easy to operate. Simply press fastening bar into slot at bottom and it locks automatically. Can be unlocked only with specially designed key included with each order.

Catalog Number	Maximum Magazine Size		Price

Transparent "Long-Life" Magazine Binders

Here are rugged 100% transparent covers for all your current magazines at unbelievably low prices. Made of .005" DuPont Mylar*, these covers will give permanently tough protection for years to come.

Binder has rigid metal back with a springsteel rod that makes insertion and removal easy. Yet it holds the magazine securely even with the roughest treatment. Covers are held in place with Mylar pockets so that there is no wrinkling or bulging.

Edges are bound in a bright, cheerful red vinyl cloth. Vertical outside edges of large sizes have extra steel rod reinforcement to keep covers from drooping when placed in magazine racks. Binders have reinforced corners.

"Long-Life" Magazine Binders are easy to keep clean; always stay attractive.

Eighteen sizes are available. To make sure you receive the correct size be sure to specify title and height and width of magazine.

Maximum Magazine Size				Maximum Magazine Size

Transparent Acetate Magazine Covers

These low-priced transparent magazine covers are made of 9 point blue-tinted cellulose acetate. The edges are bound and sewed with durable blue Keratol and reinforced with metal corners. The magazine is held in 2 ways: first a center strip 1/4" wide secures the whole magazine; while the two covers are held in place by 3 1/4" wide plastic panels sewed to the transparent covers. You have a choice of 14 different sizes.

Plastic Picture Covers

Plastic Picture Covers are ideal for protecting and displaying any flat sheet. Entire surface of front and back is transparent. Keeps material inside clean.

8 SIZES

Since both sides are transparent, two pictures can be inserted, back to back and the front of each will be visible. Can also be used when you want to circulate a picture with descriptive copy visible on the reverse side.

Made of transparent 8 point vinyl, sealed on three sides. The sheet of 4-ply mounting board inserted inside each Picture Cover makes an attractive background for unmounted pictures, photographs, etc.

DURA-COVERS™

Slip-on Plastic Protection for Periodicals and Paperbacks

Choose from 41 sizes

Clear Mylar* film front attached to durable kraft backing. Reinforced on 3 sides with black vinyl tape.

Economical, effective protection for circulating periodicals and paperbacks. Simply slip 2-piece "Dura-Covers" over periodicals or paperbacks . . . join at spine with tape. Keeps periodicals and paperbacks fresh and new looking.

Easily removed, can be used over and over again. Just peel tape away from spine, slide "Dura-Covers" off.

Can be fitted to any magazine, periodical or paperback — simply by cutting edge at open end. Order at right.

BE SURE TO STATE SIZE WHEN ORDERING

Letters on
IVORY

New Design and Color — Fits into Modern Library Tones

Ivory Letters on Brown background blend with the most modern library interiors and fixtures. It's amazing! These colors go equally well on wood, or enameled surfaces of green, gray, brown, etc. They are in addition very legible! If you are modernizing your library . . . complete the new picture with Demco "Tan-Tone" shelf, magazine and section labels.

On the reverse side, the same titles are printed in black ink on ivory paper in case you prefer to match new labels with those you are presently using throughout your library. Also suitable for use in any standard metal holders.

SOME SHELVES have rounded edges so that even a $\frac{3}{4}$ " thick shelf has only a $\frac{1}{2}$ " flat surface for the label. $\frac{1}{2}$ " Stik-On-Strips and $\frac{1}{2}$ " Tan-Tone Shelf Labels fit perfectly even on $\frac{3}{4}$ " thick shelves with rounded edges.

For complete list of titles, and available sheets, based on Dewey Classifications write the Demco Office nearest you.

Binders for Pamphlets

Because pamphlets and other similar paper-bound publications are often the latest up-to-date material available, they should be equipped with protective covers to keep them in good condition. They can be shelved with greater ease; the covers can be equipped with a book pocket and date slip if the pamphlet is to be circulated.

Types of Binders

There are five types of binders available:

1. Pamphlet Binders
2. Tie Binders
3. Staple-Set Binders
4. Norbinders
5. Shelf Binders

Cover Materials

Each of these general types [with the exception of Norbinders] is available in four different cover stocks:

1. Demcoboard in a choice of two colors—red or blue. The inside of the covers is lined with a pleasing light gray. Demcoboard is moderate in cost and durable in quality.
2. Two-tone Gray Photomount lined with darker gray on the reverse side. A popular cover stock, reasonable in cost with a lasting quality.
3. Lithomount in a tan marbled design. An inexpensive cover stock.
4. Pressboard in a choice of two colors—Tan or Gray. It is the toughest of all covers.
5. In addition to the four regular cover stocks listed above, pamphlet binders may be obtained made of a flexible Red Rope fibre. These binders can be made with either single or double-stitched binder as specified.

Binding Cloth

You have a choice of Black, Blue, Brown, Green or Maroon gummed cloth. If color of cloth is not specified black will be used on red Demcoboard; maroon on blue Demcoboard; blue on gray Photomount and gray Pressboard; brown on tan Pressboard and tan Lithomount.

How to Order

Please specify carefully the quantity, size, kind of cover stock, type of binder and color of binding cloth. In stating the size, give the height of the binder first, then width.

Example: 12 10" x 7" Red Demcoboard Tie Binders, black binding.

Prices and Discounts

12 to 99	dozen price
100 to 999	100 price
1,000 to 4,999	5% discount from 100 price
5,000 and over	10% discount from 100 price

Minimum quantity for ordering—12 of any one kind binder, material, color, cloth binding and size.

**ALL BINDERS ARE MADE TO ORDER
AND CANNOT BE RETURNED**

More binders on pages 95-96.

Demco Pamphlet Binders

Pamphlet Binders consist of two covers joined together with colored binding cloth and equipped in the center with a strip of white gummed cloth. To insert a pamphlet, merely moisten the gummed center strip and insert the pamphlet.

How to Order Pamphlet Binders

This type of a binder is equipped with a gummed binding strip which, when moistened, holds the pamphlet in place. This binding strip will be made with a single row of stitching and be capable of holding a pamphlet up to, but not including $\frac{1}{4}$ " in thickness.

If the pamphlets to be placed in these binders are $\frac{1}{4}$ " or more in thickness, specify "double-stitched" binding strip (2 rows of stitching) and clearly indicate width of space desired between stitching. Widths available— $\frac{1}{4}$ ", $\frac{3}{8}$ ", $\frac{1}{2}$ ", $\frac{5}{8}$ ", $\frac{3}{4}$ ", $\frac{7}{8}$ ", 1", 1 $\frac{1}{8}$ ", 1 $\frac{1}{4}$ ", 1 $\frac{3}{8}$ ", and 1 $\frac{1}{2}$ ".

Pamphlet Binders with single-stitched binding strip will be supplied unless otherwise specified.

Tie Binders

Tie Binders are two individual covers, each having a cloth hinge equipped with eyelets. They will hold several issues of either magazines or pamphlets. Succeeding numbers can be added as they are received.

To insert a magazine or pamphlet, place a cover over each side and mark the position of the holes through the eyelets. Either an awl or a magazine drill can be used in making the holes. Then lace the covers and pamphlets together using the braided cord and the No. 62-585 Tie Binder Needle.

All binders are made to order and cannot be returned for credit or exchange.

See how to order binders page 94

Tie Binder Needles

A heavy needle with a large eye, used for lacing magazines and pamphlets. Twelve needles to a package. No. 62-585 Pkg. Tie Binder

Needles 30¢

Tie Binder Drill Points

Heavy drill points, ⅛" diameter, are used for drilling magazines and pamphlets.

No. 62-584 Drill Points (2¼" long)
1 45¢ 6 40¢ each

Laces for Tie Binders

Laces are furnished with Tie Binders without extra charge.

No. 62-981 Extra laces—per 100 foot length 50¢

Staple-Set Binders

Each cover is equipped with a cloth hinge so constructed as to staple easily. Simply place a cover on each side of the pamphlet and staple together with Demco No. 28-588 Stapling Machine shown below.

Staple-Set Binders are recommended for pamphlets not over ⅜" in thickness. Use Tie or Pamphlet Binders for pamphlets in excess of ⅜".

See how to order binders page 94

This new type binder enables pamphlets to be stapled between two protective covers in a matter of seconds.

Stapling Machine

This heavy duty Stapling Machine is equipped with two plates. The wedge-shaped plate is used for "saddle-stitching" pamphlets in the center of the fold. The flat bed plate is used for "side-stitching". Machine should be securely fastened to a flat surface.

It has a 12" throat permitting stapling of large size pamphlets and magazines. The machine holds 100 staples at a time.

No. 28-558 Stapling Machine only, without staples \$35.00

Three sizes of staples are available:

No. 28-584 Staples with ¼" leg, box of 5000 3.50
No. 28-586 Staples with ⅜" leg, box of 5000 3.50
No. 28-587 Staples with ½" leg, box of 5000 3.50

"How To"

Full directions and illustrations on binding magazines and pamphlets with NORBOND plastic concentrate are included in DEMCOBIND, the 68 page Mending Manual. A copy will be mailed on request.

See how to order binders page 94

1. Bind your magazines or pamphlets into volumes, using Norbond as directed in the Demcobind Mending Manual.
2. Indicate on your order the dimensions of each separate bound volume to be covered with a Norbinder, giving first the height, next the width and finally the thickness. You must specify a thickness for each binder ordered.
3. Specify color of Pressboard desired—Tan or Gray.

Shelf Binders

Single pamphlets up to $\frac{1}{2}$ " in thickness are often "lost" between books. Shelf Binders with a "flat back" for lettering with ink or stylus avoid this possibility. The flat backed Shelf Binders may be ordered either $\frac{1}{4}$ " or $\frac{1}{2}$ " wide.

$\frac{1}{4}$ " Binders will be equipped with $\frac{1}{4}$ " double stitched binder for thin pamphlets. If pamphlet is $\frac{1}{2}$ " thick or 100 pages, Binders should be ordered with $\frac{1}{2}$ " back.

Shelf Binders will be furnished with either $\frac{1}{4}$ " or $\frac{1}{2}$ "

back equipped with single stitched binder, if specifically requested.

See how to order binders page 94

When ordering, specify quantity; size (height first, then width); width of back; kind of cover stock and color of binding cloth. If cover stock and binding cloth are not specified, two-tone Photomount with blue cloth will be sent.

Norbinders

"Custom-made" inexpensive covers that enable you to bind magazines and pamphlets into easy-to-use bound volumes. No need to tie magazines in bundles or store pamphlets in boxes.

Available in Tan or Gray Pressboard with a built-in stiff back. Easy to mark with a pen or stylus. Demco Norbinders are made with a specially tough colored cambric that insures extra long life for the covers.

All binders are made to order and cannot be returned for credit or exchange.

Special sizes can be made "to order". Write for quotation.

Standard Pamphlet Cases

Made of heavy box board with DOUBLE thick front, top and bottom. The interlocking double portions of these cases are completely glued together to give extra strength and rigidity. Front is covered with tough black paper. Sides, top and bottom are covered with heavy kraft paper. Leather pull is stitched to underside. Label included.

Inside dimensions in inches are listed below in following order: height; depth; and width. Due to parcel post restrictions, orders must be in units of 6 cases.

	No. 42-509 10 1/4 x 7 x 4	No. 42-510 12 1/4 x 9 1/4 x 4	No. 42-511 14 1/2 x 10 3/4 x 3

Extra labels (3 3/4" x 3 1/8" wide) Cat. No. 48-580			45¢ per 100

Deluxe Pamphlet Cases

The box board in these pamphlet cases is approximately twice the thickness of the board used in our No. 42-510 case. The end (or front) is double the thickness of the sides. The end is bevelled so that the sides are reenforced. The front is covered with green cloth. Each case has a special reenforced metal ring pull, making it easy to remove from shelf. Due to excessive shipping costs and recent parcel post restrictions, orders must be in units of 6 cases.

Music or Magazine File

Here is a really useful set of file cases. Notice how they fit over one another, and how the inside drawer-like case slides easily in and out. Insides are cut-aways and will accommodate your large sized magazines or pages of sheet music. Two or more can be fastened together to form a neat, compact filing cabinet. Boxes are made of strong box board covered with durable black paper. Insides are a bright white. Facing side has metal label holder and pull handle. Inside dimensions 14 3/8" wide x 11 3/8" deep x 3 3/8" high.

No. 42-513 One to 12	\$2.30 ea.
12 or more	2.20 ea.

Pamphlet Display Case

This case has seven compartments. Outside dimensions are 13 1/2" wide, 12" high and 6" deep. In the first two rows, each compartment is 11 1/4" deep, 6 1/2" wide, 6" high at front and 7" high at back. Third row, with same height and depth, has one compartment 5 1/2" wide; the other 7 1/2" wide. Top row consists of one compartment 13" wide. Made of extra heavy binder's board with choice of red or brown cloth covering.

No. 42-811 (Red)	{	One case	\$5.60
No. 42-810 (Brown)		Three cases	5.30 each

Princeton Files

These strong metal files enable you to organize pamphlets, magazines and bulletins for easy reference. Perfect too, for holding thin books and paperbacks. Vertical arrangement takes less space and looks more attractive.

New modern file design with smooth front makes it possible to use 3" x 3" pressure sensitive labels to identify contents.

Made of cold rolled furniture grade steel for long life. Open back design makes it easy to remove and replace contents. Chip resistant baked enamel finish in your choice of 3 colors — gray, tan or black.

Plastic Record Holders

New double-pocket transparent record holder enables you to take display advantage of the colorful art and descriptive information on today's attractive record album covers. Increases circulation life of albums by protecting them from dust, lint and the abuse of constant handling.

Long-wearing, transparent 12-point vinyl has a clear transparent horizontal pocket electronically sealed inside holder. By simply turning the holder, the pocket appears in the front or back, to hold standard book cards, McBee cards or IBM cards.

Complete album cover slides into pocket in front . . . permanently protected from wear. All information visible. No slitting or taping necessary.

Record slips into durable kraft envelope with die-cut center hole for immediate record identification. Envelope opens to the inside to prevent record from slipping out. Envelope is attached to durable laminated board back with sturdy cambric binding strip. Smooth finish of cambric helps safeguard records against scratches while being removed or replaced in envelope. Laminated board encased in back cover — keeps album rigid.

Plastic cover in front, laminated board in back cushions record with double protection against damage. Available with one, two or three record envelopes.

Blank, pressure-sensitive labels (5/8" x 1 1/4") for indicating call number are included.

Record care instructions printed on record envelopes in two positions — can be easily read whichever way holder is opened.

Also, specify Gray (with Blue Ink) or Tan (Black Ink). Minimum order: 100 covers. Order covers above, add \$14.50 for first 100; 8.50 for additional 100's. Two-line imprint.

RECORD CARE

FINGERMARKS and DUST damage the playing surfaces
SO
ALWAYS place records in the protective cover when not in use.
Whenever handling records, do not allow
fingers to touch grooves on either side.
SUNLIGHT and HEAT warp and distort records
PLEASE
Use caution when transporting
and
DO NOT place on or near heated surfaces.

Record Care Label

Printed in black ink on buff gummed stock. Stick label on record envelope or jacket to reduce damage caused by improper handling of records. Size 3" x 5".

No. 53-058	Record Care Label	
100	\$1.25	1,000 \$5.95
500	3.25	5,000 5.25 per 1,000

Record Browser Bin

This modern designed Browser Bin is an ideal unit for any library with a circulating record collection. Holds up to 200 L.P. records and their jackets. Enables you to attractively display records and increase record circulation—makes it easy for patrons to select the records of their choice. May be placed side-by-side or back-to-back to form visually appealing record displays.

Made of all-welded steel construction. Each unit consists of base, 2 No. 41-106 Browser Trays and 4 steel legs. Simple to assemble—simply screw in legs and place the two trays in the top of the base. Size: 37" high, 25¾" deep, 27" wide. **Tan baked enamel finish.**

No. 41-105 Browser Bin\$85.00

Record Browser Tray

Whatever the size of your library, this versatile Browser Tray enables you to display records so patrons can flip through them easily. Just put one, two or more trays in a row on any available table or counter top. Protective base on bottom of Browser Tray prevents damage to furniture.

The Browser Tray has been designed to fit on the top shelf of the No. 41-761 "Work Horse" Book Truck (page 15). On the truck it can be used behind the charging desk when checking in records—or for any record processing job requiring a number of records close at hand. All welded steel construction. Size: 25¾" long, 13¼" wide. **Tan baked enamel finish.** Capacity: up to 100 L.P. Records and their jackets.

No. 41-106 Record Browser Tray\$27.00

Record Guides

Make it easier for your patrons to use Browser Bins. Separate your records by classification with these rigid Record Guides.

Guides are made of ½" thick double tempered masonite. Overall size: 12½" wide by 14" high.

An engraved laminated plastic label is mounted along the top. Label size is 1½" by 12". Complete label extends above top of records.

Labels are made to order on black, tan, blue, red or green plastic with white letters, or on yellow plastic with black letters.

Specify color of label and give us exact wording of heading desired when ordering. Maximum 17 letters

No. 53-107 Record Guide (with engraved plastic label)\$3.50 each

Pressure Sensitive Stereo Labels

Use these die-cut labels to identify stereo records. Roll backing paper away from label and apply to record jacket, record holder or record. Red ink on white stock. Calls patron's attention to the fact that record can only be played on stereophonic equipment. Size: 3" x 1". Available in rolls of 100 or 500.

No. 53-057 Roll of 500 labels.....\$5.50

Write for prices on larger quantities.

Gummed Record Labels (For 78 R.P.M.)

Will fit 10 and 12 inch records. Printed on white gummed paper. Furnished plain only as shown above. Space is large enough for rubber-stamping name of library. Packed 250 to a box.

No. 53-055 Record Labels
250....\$1.65 500....\$3.20 1,000....\$6.00

Pressure Sensitive L. P. Record Labels

A pressure sensitive label, die-cut to fit both 10 and 12 inch L.P. records. Roll backing paper away from label and apply to record.

Furnished in white stock which can be imprinted with a rubber stamp or by typing library name. Or, we can imprint to your order. Minimum imprinting—250 labels. Two lines of copy can be furnished.

Filmagic Cloth

Silicone treated cloth lubricates and protects films, records, transparencies, lenses. Used wherever there is a possibility of damage to film during handling, inspection or projection

Films, filmstrips, slides, etc. treated with Filmagic silicones can be stored for long periods of time, in any climate, without deterioration due to embrittlement or mildewing, since silicones are impervious to extremes of heat, cold or effects of humidity. Filmagic cloth can also be used to clean and polish plastic surfaces, leather, wood, chrome and other metals.

Specially blended Filmagic silicones are heavily impregnated into extra soft, deep-napped flannelette to combine lubricating and protective qualities with odorless non-toxic and non-flammable application.

Filmagic Cloths are 12" x 18", each carefully packed in glassine and double wrapped in heat sealed polyethylene storage bags. Complete washing instructions packed with each Filmagic Cloth.

No. 53-803 Filmagic Cloth (12" x 18")\$2.00 each

Surfaset Kit

This amazingly quick, easy treatment cleans and conditions all types of film—black and white, magnetic stripe, filmstrips, slides and microfilms—in minutes. Protects grooves of phonograph records, reduces surface noise and static effects.

Simply spray, wipe or otherwise cover film with Surfaset fluid—then wipe dry with the famous Filmagic Cloth.

FOR NEW FILM — Surfaset eliminates "greeness" at once. Provides un-paralleled scratch free projection.

FOR OLDER FILM — Surfaset renews flexibility, minimizes surface scratches and improves projection quality.

No. 53-804 Surfaset Kit contains:
 • 6 oz. bottle Surfaset with spray applicator
 • Filmagic Silicone Cloth (9" x 12")
 • Mohair Dauber
 • Complete directions for use

No. 53-804 Surfaset Kit\$2.95

No. 53-805 16 oz. can of Surfaset Fluid 2.50

ALWAYS BUY AT LEAST ONE FILMAGIC CLOTH WITH NO. 53-805 CAN OF SURFASSET FLUID

Master Splicer

This compact splicer is designed to splice all 8 mm and 16 mm sound or silent film, both black and white and color. Its new floating-action feathertouch scraper removes emulsion smoothly, quickly and evenly. No need to wet film.

Can be used with No. 53-807 Film Cement or Nos. 53-808 and 53-809 Splicing Tape. Instructions for use included with each splicer.

No. 53-806 Master Splicer\$11.95

Film Cement

This Film Cement has been specially formulated for splicing the newer Triacetate as well as the older Diacetate film base materials. For black and white or color films. Always fresh and fast acting.

No. 53-807 Film Cement
 1 oz. bottle50¢

Film Splicing Tape

Here is the revolutionary way to splice both 8 mm and 16 mm movie films. No cement is required. No water. Makes quick professional splices quickly and easily. Tape has paper back to protect the adhesive surface.

"Presstape" splices will not shrink, dry out or become brittle with age. Available in two sizes—8 mm and 16 mm in packages of 20 strips.

No. 53-808 8 mm "Presstape" Package of 20 splicing strips50¢

No. 53-809 16 mm "Presstape" Package of 20 splicing strips50¢

Individual Slide File

This sturdy metal slide file will hold 150 2" x 2 1/2" glass mounted slides or 300 cardboard mounted slides. All steel welded construction with piano hinged cover. Notched steel separators hold slides. Overall size: 7 1/2" deep, 14 1/2" long, 2 1/8" high. Gray hammertone finish.

Numbered index furnished for inside of cover. Gummed numbers 1-150 for placing adjacent slides also included.

No. 53-851 Individual Slide File\$2.

Group Slide File

Here is the ideal metal file for sequence grouping of slides. Will hold 250 glass mounted slides or 750 cardboard mounted slides. All steel welded construction with piano-hinged cover. Overall size: 7 1/2" deep, 14 1/2" long, 2 1/8" high. Gray hammertone finish.

Index for inside of cover and 24 metal dividers included.

No. 53-852 Group Slide File\$3

Slide Sorter and Viewer

Versatile slide sorter and viewer will speed up sorting slides and planning your slide programs. Has an all metal piano-hinged fold-away base and a 12" x 16" translucent plastic viewing panel. Viewing panel lifts off and complete unit folds up for storage.

Forty slides can be sorted and magna-viewed under the 3" movable magnifying glass lens. Light socket has off and on-switch. Comes complete with 6 foot cord and plug.

No. 53-810 Illuminated Slide Sorter and Viewer with 3" magnifying lens\$9.95

Film Reels

Precision constructed of special tempered steel. Painted inside and out with Brown baked enamel finish. Reels are true running and wobble-free. Edges free of burrs to avoid injuring operator. Films roll through projectors without binding or rubbing—insures longer film life. Packaged in individual boxes.

No. 53-500
Crackle Gray Enamel Finish

ELIMINATE ALBUM STORAGE AND FILING PROBLEMS

Locate any album in seconds with this fast efficient system. Albums are protected in storage and slide out for easy removal from pocket. No lost or misplaced albums with this system — each album has its own pocket and is numbered the same as the album. Pockets are held in position by the axis rod and slide in and out on a reinforced slot. They are constructed of heavy Red Wallet Stock.

Two sets of gummed numbers (1-60) included for numbering record albums and pockets. Can be adapted to any classification system combined with a numbering system.

Will stack with other units of Discabinets, Tape Cabinets or Filmstrip Cabinets.

13 $\frac{1}{8}$ " wide, 15 $\frac{5}{8}$ " high, 14" deep. Constructed of 20 gauge steel spot welded throughout on 3" centers. Sides and partitions are reinforced for additional strength. Available with crackle gray baked-on enamel finish.

CAPACITY: 60 single 12" L.P. Records and their Jackets.

No. 53-500	Discabinet for L.P. Records and Jackets	\$39.75
No. 53-515	4" high base for No. 53-500 Discabinet	7.25

Discabinet with Door

Same Cabinet as No. 53-500, except with Sturdy Steel door added.

No. 53-501	DISCABINET WITH DOOR	\$47.25
------------	----------------------------	---------

Slide-Out Pockets

Discabinet Slide-Out Pockets are available for conversion of No. 53-529, No. 53-629, 53-530 and 53-630 to L.P. Record and Jacket storage. When ordering for conversion of these cabinets, please advise on order so axis rod can be included in shipment.

No. 53-554	L.P. Slide-Out Pocket	40¢ each
	60 or more	35¢ each

Sectional Discabinets for Records and Transparencies

A small compact cabinet designed for the safe storage of records or overhead transparencies. Ideal for small libraries, individual classrooms or for any growing collection.

Takes up little space on the shelf, desk top or any flat surface. Additional units can be added as the collection expands. Units bolt together to form a sturdy multiple unit. Gummed numbers included with each unit.

Sturdy steel cabinet has hinged door and chrome door pull. 5" wide, 13 $\frac{1}{2}$ " high, 15" deep. Available in hammertone gray baked enamel finish.

Capacity:

- 35-40 single LP records in envelopes, or
- 25 LP records and their jackets, or
- 50 overhead transparencies

No. 53-534	Sectional Discabinet for records or transparencies	\$15.75
------------	--	---------

No. 53-534
Hammertone Gray Enamel Finish

See New Multiple Copy A-V Forms on Page 77

Discabinets for Single Records

Eliminate Misplacement and Loss of Records

The operation of the Discabinet system is built primarily around the rod (see illustration below) over which the pockets are held in place. The pocket swings in and out on the rod freely, forward to a point that makes the discs easily accessible, and backward to a resting position in storage. Since pockets are on axis rod, disarrangement of filing order is impossible.

Discabinets are constructed of heavy gauge steel spot welded on 3" centers. Sides and partitions are reinforced.

Baked On Crackle Gray Finish

Illustration shows how Discabinets can be stacked to give appearance of a single unit. Unit shown is made up of 3 No. 53-531 at bottom, 3 No. 53-529 and 9 No. 53-527 above. Capacity 1350 records, taking up floor space of only 39 1/2".

Film Separator Racks

These Racks are available in three lengths — 29", 35" and 47". 35" length fits standard library shelving. Reels or cans are vertically supported on edge and are held apart by heavy wire separators. Card Holder runs the full length of rack for indexing each reel or can. Furnished with rubber feet — will not mar shelving, desk or table tops. Double Door and Open Type Film Storage Cabinets on page 110 are equipped with these racks.

Color: Machine tool gray enamel finish.

Microfilm Cabinets

No. 53-025 nine drawer
Microfilm File Cabinet

No. 53-020 six drawer
Microfilm File Cabinet

Each drawer is partitioned to accommodate four rows of 100 ft. film reels. Each drawer holds 100 16 mm or 68 35 mm reels.

Built for today's microfilm and microcard needs, these sturdy Microfilm Cabinets provide proper and safe storage of microfilm records.

Rugged, welded steel cabinets are available in nine or six drawer sizes. The nine drawer offers greater storage capacity—holds 612 35 mm or 900 16 mm film reels—in less floor space.

The six drawer is a convenient standing-working height (an ideal place to put microfilm reader) and holds 408 35 mm or 600 16 mm film reels.

Both feature durable cradle-type drawer suspension—load tested in excess of 50 years normal use. Double stops prevent drawers from falling out—yet they can be easily removed when desired.

Easy working compressors keep microfilm boxes firmly in place. Thumb latch next to handle insures easy opening and positive closing. Available in gray only.

No. 53-025 Nine Drawer
Microfilm Cabinet\$251.50

No. 53-020 Six Drawer
Microfilm Cabinet 203.75

If locks are desired please specify and add \$15.00 to cabinet price.

Your free copy of illustrated manual sent with every order of Norbond

BOOK REPAIRING CAN NOW BE MEASURED IN MINUTES INSTEAD OF HOURS — IN CENTS INSTEAD OF DOLLARS.

Norbond Brushes

When working with plastic concentrates, brushes must be kept in water. If plastic is allowed to dry hard, it cannot be removed from the bristles. Rather than using more expensive paste brushes, we recommend these special Norbond brushes. Made of genuine bristle—they represent real values.

No. 67-090 Large Norbond Brush
One half inch wide, 7 1/4" long 1.....20¢ 12.....18¢ ea.

No. 67-091 Small Norbond Brush
One half inch wide, 6 1/2" long 1.....20¢ 12.....18¢ ea.

Norbond Sticks

Small round sticks which can be used for dipping into Norbond and applying a narrow strip to loose hinge of a cover or for applying Norbond to torn cloth edges.

No. 67-092 Small 6" sticks50 for 30¢

Norbond Plastic Adhesive

NORBOND is a liquid plastic concentrate that performs amazing things. It revises all existing methods of book maintenance and reduces these routines to unbelievable simplicity. In addition, it does many jobs outside of the field of book repairing. The free NORBOND Manual included with each order purchased illustrates over a dozen different library uses.

NORBOND is a stable plastic emulsion that sets to a transparent film in 5 to 40 minutes. Its dried film is flexible and tough. Time does not weaken its bond nor affect its strength.

NORBOND saves time

- makes complex book repairing simple
- quickly binds pamphlets and magazines

NORBOND saves money

- cuts binding and replacement costs
- eliminates many mending supplies

NORBOND is easy to use
— simply brush it on

Demcobind Mending Manual

Here's a new concept in a mending manual. Contains 68 pages — over 116 pictures and drawings that make mending and repairing of books easy to understand and to follow.

It includes a handy mending chart outlining the mending supplies required for each process.

The manual covers the reinforcing and binding of pamphlets and magazines. It provides helpful suggestions for lettering books; protecting book covers; applying book jacket covers and many other library processes.

The necessary supplies and tools are fully described and priced at the back of the manual.

Send for your free copy of the new Demcobind Mending Manual.

Scotch Brand Magic Mending Tape

(Formerly called Permanent Mending Tape)

- Never Yellows
- Sticks Instantly
- Stays Invisible

Nothing beats this "Magic Mending Tape" for mending juvenile books, or mending tears in highly glazed paper. A roll of tape should be available at every desk in the library, and at every teacher's desk in the school. "Magic Mending Tape" is crystal clear, shrink-proof .002" cellulose acetate, perfected after 10 years of testing. It never leaves a gummy residue, like ordinary Scotch cellophane tape. It can be stored for years without deterioration. Best of all, it mends pages magically fast!

ROLLS WITH 1" CORE—fit both Demco No. 63-358 Pocket Dispenser and Demco No. 63-357 Desk Dispenser.

Catalog No.	Size	1 roll	12 rolls	36 rolls	144 rolls
No. 62-030	1/2" x 1296"	\$1.05	\$1.00 ea.	\$.95 ea.	\$.85 ea.
No. 62-032	3/4" x 1296"	1.40	1.35 ea.	1.26 ea.	1.15 ea.

ROLLS WITH 3" CORE—fit Demco No. 63-355 and No. 63-359 Dispensers

Catalog No.	Size	1 roll	12 rolls	36 rolls	144 rolls
No. 62-031	1/2" x 2592"	\$1.90	\$1.71 ea.	\$1.57 ea.	\$1.48 ea.
No. 62-033	3/4" x 2592"	2.53	2.28 ea.	2.10 ea.	1.97 ea.
No. 62-034	1" x 2592"	3.80	3.42 ea.	3.14 ea.	2.96 ea.

ROLLS WITH 3" CORE—fit Demco No. 63-359 Dispenser.

Catalog No.	Size	1 roll	12 rolls	36 rolls	144 rolls
No. 62-035	1 1/4" x 2592"	\$4.65	\$4.20 ea.	\$4.00 ea.	\$3.80 ea.

To make Call Number Labels (page 11 and page 66) stick permanently to cloth book spines, heat seal a strip of Magic Mending Tape over labels with a Demco Heat Sealing Iron (page 66). Use 1" tape over 5/8" and 3/4" labels and 1 1/4" tape over 7/8" and 1" labels.

HANDY SMALL ROLLS, TOO—Small, nonprofessional 3/4" x 300" rolls of Magic Mending Tape are also available.

Minimum of 3 rolls	\$1.17 per three
No. 62-040—Carton of 12 rolls	\$4.22 per carton
12 Cartons	\$3.75 per carton

Heavy Duty Dispenser

The streamlined Heavy Duty Dispenser utilizing rolls of tape with 3" cores is the most economical purchase. While portable, it is heavy enough not to require anchoring. The Desk Dispenser, using rolls with 1" cores, occupies less space than a pen set. Portable and self-anchoring.

No. 63-355 Heavy Duty Dispenser (empty) for 3" core\$4.50

No. 63-359 Heavy Duty Dispenser (empty) for 3" core. Equipped with two separate spools. Will hold 1 roll up to 2" wide or two rolls 1/2", 3/4" or 1" wide\$7.50

No. 63-357 Desk Dispenser (empty) for 1" core\$2.75

No. 63-358 Pocket Dispenser (empty) for 1" core29

Razor Blade Attachments

Produces smooth edge cut. Recommended when using Magic Mending Tape to cover Call Number Labels or when using Reinforcing Tape to join Dura-Covers (page 89) or reinforce magazines and paperbacks.

No. 63-356 Razor Blade Attachment for No. 63-355 Dispenser\$1.50

No. 63-360 Razor Blade Attachment for No. 63-359 Dispenser\$3.00

Demcote Spray Type Transparent Protective Coating

- Gives a Smooth Coating
- Remains Clear and Flexible
- Dries in a Few Minutes
- Waterproofs Any Material

DEMCO is ideal for many library purposes:

1. Provides an excellent gripping base for your ink or stylus markings when sprayed on book spines before marking.
2. Seals in markings made with ink or stylus. Prevents scuffing and flaking. Keeps them clear and legible.
3. Makes book bindings more resistant to wear, water and dirt.
4. Gives prints, posters, drawings, maps or typewritten cards and papers a wear-resistant, water-resistant coating.
5. Adds life to paper-bound books and pamphlets.

No. 28-978 16 oz. Dispenser

1 can	\$1.95
3 cans	1.90 each
6 cans	1.85 each
12 cans	1.80 each

Transparent Bookbinding Tape

For joining "Dura-Cover" periodical covers (page 89)

Tough, pressure-sensitive tape stays flexible. Will not discolor, crack or peel. Unaffected by moisture. Can be written on with felt tip pens or other solvent-based inks. Ideal for reinforcing record albums, folders, signs — strengthening spines on paperbacks, periodicals, pamphlets. Four widths, each 15 yards long.

CAT. NO.	WIDTH	PRICES
67-405	1½"	1 roll \$2.09 6 rolls 1.99 per roll
67-406	2"	1 roll \$2.78 6 rolls 2.64 per roll
67-407	3"	1 roll \$4.17 6 rolls 3.97 per roll
67-408	4"	1 roll \$5.56 6 rolls 5.30 per roll

Reinforcing Tape (Transparent)

Clear pressure-sensitive tape for joining "Dura-Cover" periodical covers (page 89), reinforcing magazines, paperbacks, record jackets. Rolls are 72 yards long with 3" core.

	No. 67-379 ½" wide	No. 67-377 1" wide

1 roll	\$3.55
6 rolls	3.45 ea.
12 rolls	3.35 ea.

Demco Runny Paste

A permanently concentrated solution. Fluid enough to spread evenly, smoothly and quickly. Yet, when exposed long enough to thicken, it's freely miscible with water for thinning to proper consistency. Powerful adhesive, especially efficient on un-gummed materials. Many uses. Nothing better for pasting book pockets, book-plates or labels. Use it wherever you want something to stick — permanently!

No. 62-978	Pint	No. 62-979	Quart
1 Pint	\$.85	1 Quart	\$1.25

NEW
smoother, richer looking
surface

THE ORIGINAL vinyl-coated self-adhering cloth tape for fast, effective book repair

Fastape is a colored pressure-sensitive cloth tape developed especially for Demco. Now with a new improved extra vinyl coated surface that gives it a richer look. The cloth is of an extra strong high-thread count with a waterproof washable surface, so you can depend on Fastape to do a repairing job that lasts.

Adhesive not only sticks and hangs on in spite of the roughest treatment but does not spoil—either on the book or on the roll. You can safely buy the large economy rolls and keep them over a year without the slightest danger of spoilage. Books repaired with Fastape never become sticky in hot and humid weather.

Re-back books the
easy Demco way

This 4-page leaflet with 16 easy-to-follow drawings should be posted near every mending table. Inexperienced staff assistants and students are able to do perfect work by merely following these illustrations.

FREE with every order for Fastape sent to Demco or a complimentary copy will be mailed to you upon request.

Colors shown match products as closely as high-speed printing methods permit.

Fastape Re-backing Kit

Here is a handy kit of five rolls of Fastape in 3 different widths for re-backing torn book covers. It even includes the reinforcing tape for the top and bottom of the spine, plus a bottle of extra-white Set Rite White Ink for marking the repaired books. Two 8" Plastic Folders and an easy-to-understand leaflet on "How to Re-back a Book" complete the kit. Kit may be purchased without Plastic Folders.

Contents:

DEMCO-SEAL PLASTIC MENDING TAPE

MENDS TORN BOOK PAGES... PROTECTS DICTIONARIES, ATLASES, MAPS & DOCUMENTS

Clear, colorless — almost invisible, Demco-Seal is the ideal mending tape for torn book pages for these important reasons:

- (1) Demco Seal doesn't "bleed"—no sticky edges to catch or pull on facing pages.
- (2) Demco Seal won't yellow with age, always stays clear and colorless.
- (3) Demco Seal is glareless—easy on the eyes. Its dull finish doesn't reflect light.

These features make Demco Seal equally useful in protecting large pages or important documents (see "Extra Wide" Demco Seal below). Use in handy ½" or ¾" widths with Demco-Seal Dispensers (at right) for usual repairs. Or order extra wide 12" widths for dictionaries, atlases, maps and documents. (See below.)

¾ Inch Demco-Seal Tape. For Dispenser at right.

No. 62-063—Roll 1500".....\$2.50; 3 Rolls.....\$2.30 each
No. 62-064—Roll 4500"..... 5.10; 3 Rolls..... 5.00 each

½ Inch Demco-Seal Tape. For Dispenser at right.

No. 62-062—Roll 1500".....\$1.95 3 Rolls.....\$1.85 each
No. 62-060—Roll 4500"..... 3.60 3 Rolls..... 3.50 each

EXTRA WIDE DEMCO-SEAL
For Dictionaries, Atlases, Maps, Documents

Large single copy volumes such as dictionaries and atlases are often ruined when the first and last pages of these books become badly rumpled or curled. Extra-wide Demco-Seal, laminated to one side of such pages, helps prevent this loss. Also useful for protecting maps, documents or other valuable papers that must withstand constant handling or folding. Instructions for use included. Comes in rolls, 12" wide.

No. 62-061 Extra-Wide Demco-Seal.....per yard 55¢
Roll of 20 yards (12" wide).....\$8.45

**DEMCO-SEAL TAPE DISPENSERS**

Recommended for use with all ½" or ¾" Demco-Seal Tape (at left). Automatically separates tape from waxed paper backing strip, avoids waste and speeds mending operations. Initial purchase of Demco-Seal Tapes should include dispenser. No threading or setting necessary. Tape pops up as needed.

Lightweight Desk Dispenser. Durable Plastic housing. Metal serrated cutting edge. Hinged for easy placement and removal of tape. Holds 1500" rolls only, listed at left.

No. 67-020 Bright Yellow Color.....\$3.10

Heavy-Duty Library Dispenser. Heavy, cast-iron construction. Built for constant, day by day use. Recommended for repairing large number of book pages. Holds both 4500" rolls, or 1500" rolls of Demco-Seal.

No. 67-070 Gray Metal Finish.....\$7.10

No. 28-977	Gallon	7.85

Waxed Paper

Used as slip sheets between pages to prevent smearing while paste or glue is drying.

No. 62-991	Package of 25 sheets—9" x 12"	
No. 62-992	Package of 50 sheets—6" x 9"	
	1 pkg.	35¢
	6 pkgs.	30¢ each
	12 pkgs.	25¢ each

Demco Book Cleaner

(Formerly called Cactus Cleanser)

for cleaning soiled pages of books

- No fuss — no rubbing
- No cracked, chapped hands

Cleans dirty, soiled pages of books. Especially made for quickly removing stubborn marks with no rubbing. The powder base prevents pages sticking together. Cleans most book covers and makes them look like new. Removes stylus markings made in error, if not covered by shellac or lacquer. Cleans that tough film of dirt from chairs, desks, counters and filing cases. Removes all dirt from painted walls and woodwork. Complete directions accompany each bottle.

------------	---	-----	-----------	--------

Economy Model

These brushes are an amazing bargain made possible only through mass production. Selected black bristles set in rubber to insure long life. One inch wide, 2½" long, clear of the ferrule. Minimum order—3 brushes.

No. 62-909	Economy Brush	
	3 brushes	\$1.90
	6 brushes	\$3.15

MENDING SLIP

☐ TORN PAGES
☐ TORN MARGIN
☐ LOOSE PAGE
☐ WEAK OR LOOSE HINGE OF COVER
☐ LOOSE SIGNATURE
☐ TORN COVER
☐ LOOSE COVER
☐ WORN SPINE
☐ CONTENTS NEED RE-SEWING
☐ RE-LETTER AND/OR RE-MARK
☐ LACQUER OR SPRAY

Mending Slip

This mending slip is die-cut so that the top half-inch projects above the top of a book needing repair. Check the needed repairs; slip die-cut over top of page; have the book mended before further damage occurs. Keep a supply of these slips wherever library staff members handle books. Made of durable ledger stock, printed with red ink. Size 5" high, 3" wide.

No. 62-954	Mending Slip	
	500	\$1.65
	1000	2.75
	5,000	\$2.65 per 1000
	10,000	2.55 per 1000

Binding Slip

Specific directions should accompany your books when you send them to the bindery. Accordingly, we have prepared this written direction form as a binding slip. Binding slip simplifies the job of giving bindery complete instructions and is a guard against errors.

Size, 7¼" high by 4" wide.
Printed on white bond paper.

No. 65-917	
500 slips	\$1.35
1,000 slips	2.30
5,000 slips	2.15 per 1,000
10,000 slips	2.00 per 1,000

Double Stitched Binder

Made of a superior quality of gummed cloth, one side gray and the other side white. This binder is used in book repairing to join the contents to the cover. Demco Double Stitched Binder is made with a lock stitch to eliminate the thread unraveling.

When ordering, be sure to specify the width desired between stitching. For instance, 1" double stitched binder is used for a book whose contents measure 1" thick at the back. It is available in 3 lengths: standard rolls ranging from 4 to 8 feet or in 25 yard and 50 yard rolls.

Widths are as follows: $\frac{1}{4}$, $\frac{3}{8}$, $\frac{1}{2}$, $\frac{5}{8}$, $\frac{3}{4}$, $\frac{7}{8}$, 1, $1\frac{1}{8}$, $1\frac{1}{4}$, $1\frac{1}{2}$, $1\frac{3}{4}$, $1\frac{7}{8}$, 2, $2\frac{1}{4}$, $2\frac{1}{2}$, $2\frac{3}{4}$ and 3".

Standard Rolls—4 to 8 feet depending on width.

1 roll.....	\$.60	12 rolls.....	\$5.95
6 rolls.....	.55 each	72 rolls.....	5.40 per doz.

25 yard rolls in following widths

No. 62-631 $\frac{1}{4}$ inch	\$3.25	No. 62-651 $1\frac{1}{2}$ inch	\$5.70
No. 62-633 $\frac{3}{8}$ inch	3.45	No. 62-653 $1\frac{5}{8}$ inch	5.90
No. 62-635 $\frac{1}{2}$ inch	3.65	No. 62-655 $1\frac{3}{4}$ inch	6.10
No. 62-637 $\frac{5}{8}$ inch	3.85	No. 62-657 $1\frac{7}{8}$ inch	6.30
No. 62-639 $\frac{3}{4}$ inch	4.10	No. 62-659 2 inch	6.50
No. 62-641 $\frac{7}{8}$ inch	4.30	No. 62-661 $2\frac{1}{4}$ inch	6.80
No. 62-643 1 inch	4.65	No. 62-663 $2\frac{1}{2}$ inch	7.20
No. 62-645 $1\frac{1}{8}$ inch	4.95	No. 62-665 $2\frac{3}{4}$ inch	7.70
No. 62-647 $1\frac{1}{4}$ inch	5.10	No. 62-667 3 inch	8.00
No. 62-649 $1\frac{3}{8}$ inch	5.50		

50 yard rolls in following widths are supplied in two 25 yard lengths for convenience in storage:

No. 62-630 $\frac{1}{4}$ inch	\$ 6.10	No. 62-650 $1\frac{1}{2}$ inch	\$10.70
No. 62-632 $\frac{3}{8}$ inch	6.50	No. 62-652 $1\frac{5}{8}$ inch	11.20
No. 62-634 $\frac{1}{2}$ inch	6.95	No. 62-654 $1\frac{3}{4}$ inch	11.60
No. 62-636 $\frac{5}{8}$ inch	7.45	No. 62-656 $1\frac{7}{8}$ inch	12.00
No. 62-638 $\frac{3}{4}$ inch	7.90	No. 62-658 2 inch	12.40
No. 62-640 $\frac{7}{8}$ inch	8.40	No. 62-660 $2\frac{1}{4}$ inch	13.20
No. 62-642 1 inch	8.80	No. 62-662 $2\frac{1}{2}$ inch	13.80
No. 62-644 $1\frac{1}{8}$ inch	9.40	No. 62-664 $2\frac{3}{4}$ inch	14.55
No. 62-646 $1\frac{1}{4}$ inch	9.80	No. 62-666 3 inch	15.25
No. 62-648 $1\frac{3}{8}$ inch	10.30		

Quantity discounts on 25 and 50 yard rolls.

4-11 rolls—5%; 12 or more—10%.

Assorted widths may be combined for quantity discount.

Overlap Double Stitched Binder

This binder is designed to care for the extra wide space between the back edge and the boards of juvenile books.

	25 yd. rolls
No. 62-670 $\frac{3}{8}$ inch	\$4.20
No. 62-671 $\frac{1}{2}$ inch	4.40
No. 62-672 $\frac{3}{4}$ inch	4.85
No. 62-673 1 inch	5.45
No. 62-674 $1\frac{1}{4}$ inch	6.15

5% discount on 4 to 11 rolls; 10% discount on 12 or more rolls.

Single Stitched Binder

Single stitched binders are used for pasting in loose leaves, loose sections, or for pamphlets which are not very thick. The binder consists of two strips white gummed cloth tape, single stitched down the center, thus forming a hinge with gummed surface outside. Single stitched binders are not used on books that are to be rebound.

You have a choice of two types:

Heavyweight, made of the same material as Double Stitched Binder (best for pamphlets).

Lightweight, made with a lightweight cloth so as to give more pliability (best for an occasional loose section).

Heavyweight and Lightweight Single Stitched Binders are available in the following widths and lengths:

	Lightweight	Heavyweight
$\frac{3}{4}$ " x 15 feet	No. 62-223	
1" x 12 feet	No. 62-224	
$1\frac{1}{2}$ " x 9 feet	No. 62-225	
2" x 6 feet	No. 62-226	
$\frac{3}{4}$ " x 50 yards	No. 62-227	No. 62-277
1" x 50 yards	No. 62-228	No. 62-278
$1\frac{1}{2}$ " x 50 yards	No. 62-229	No. 62-279
2" x 50 yards	No. 62-230	No. 62-280

Standard Size Rolls

1 roll	\$.70	\$.55
6 rolls	3.90	3.00
12 rolls	6.10	5.45
72 rolls	5.90 per doz.	4.75 per doz.

50 Yard Rolls

$\frac{3}{4}$ " wide	\$3.50	\$3.35
1" wide	4.20	4.05
$1\frac{1}{2}$ " wide	5.40	5.30
2" wide	6.95	7.00

Quantity discounts on 50 yard rolls only.

4-11 rolls—5%; 12 or more—10%.

Assorted widths may be combined for quantity discount.

Adhesive Cloth

For use where single hinge is required. Perforated center makes it easy to fold. Available white only, gummed on one side.

PERFORATED

CLEAR PLASTIC FILM

Protects permanently!
8 convenient widths

Revolutionary new product that beautifies and protects books, drawings, maps, photos

Crystal clear self-adhesive film. Strong—yet flexible, it becomes a permanent part of the actual bookcover, map, drawing, photograph—or whatever it's applied to. Easily washable, guards frequently-handled materials against smears, soiling, moisture, fingermarks.

Easy-to-use. No gluing or taping. Applies cleanly—a pair of scissors is all you need. Comes ready to use. Has delayed-action adhesive to permit corrections in application. Bond becomes permanent in six to twenty-four hours.

Can be applied directly to bookcover or bookjacket to prevent fraying and discoloration.

Book-Lon may also be used to repair and reinforce books. Simply apply a strip to inside lining.

EASY TO APPLY

1 Lay opened book on BOOK-LON and cut to size, leaving approx. 1/2" all around.

2 Remove orange protective covering by peeling away from split. Put BOOK-LON on flat surface, adhesive side facing up.

3 Lay closed book on BOOK-LON. First cover one side (press into hinge on hard cover books), then smooth over spine, second hinge and second side.

4 Cut away corners of the over-lapping BOOK-LON as shown, allowing for thickness of cover.

5 Slit BOOK-LON near spine. Now fold over-lapping material neatly inwards.

6 Tuck leftover pieces at both ends into spine, or cut them off.

AVAILABLE IN THE FOLLOWING SIZES

	200" LONG		400" LONG	
Width	Cat. Number	Price	Cat. Number	Price
7 3/4"	22-800	\$2.15	22-801	\$4.10
